The red shapes are solid, while the white shapes are recessed or layered, creating a three-dimensional effect.

ADMINISTRATION 193

Where is the action? The action is right here on the John Burroughs Campus. Take a look around you and see for yourself. This is "where it's happening!"

Action is found in just about every aspect of school life. Running to make that touch-down, marching to the rhythmic beat of the band, leaping over hurdles, and even twirling batons, students are involved in physical activity and are swinging into real action. But the action does not stop here. It probes even further into minds, into what is thinking action. To study for a test, to participate in a class discussion, to write a term paper, students are found actively using their intelligence.

Creativity plays a large part in the action. By singing a song, writing a good article, creating a good painting, dancing to music, or even putting a fuel pump back where it belongs, students display their talent in this skillful action.

Action that is often taken for granted is teaching action. This action prepares students for the world that awaits everyone after graduation, whether it be college or a vocation.

In the past year, the Student Body has overflowed with another type of action. In this category falls school spirit, team support, and the proper attitude.

It takes all these kinds of action to make a complete school or student body. Remember that you attend the school "where the action is."

Building Action

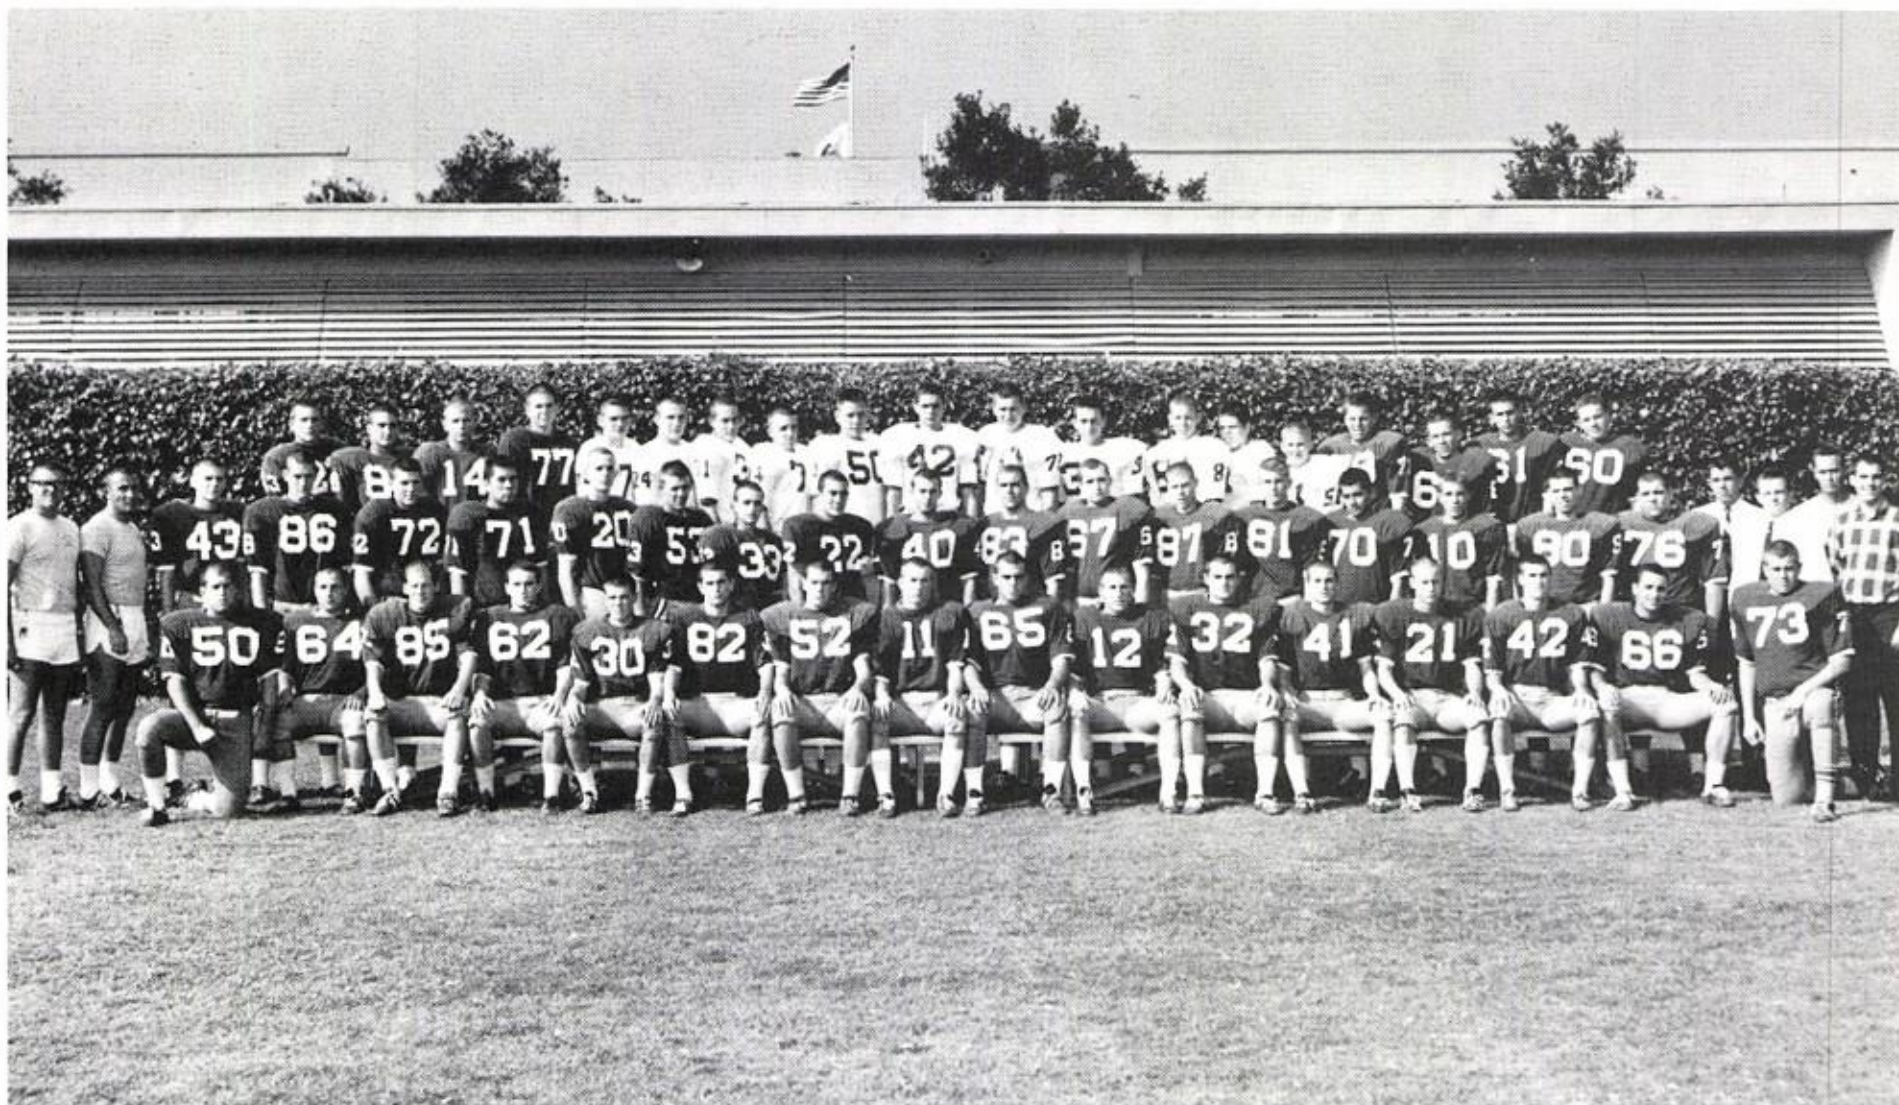

Plenty of action was taking place at the end of last year in the science building. Six classrooms were being completely remodeled with the latest in laboratory equipment and facilities. For the convenience of the students, new lab tables were installed, each with individual power supplies. The new scientific facilities include microwave apparatus, stroboscopes, analytical balances with cases, a sonar demonstrator, and new power supplies and optical devices, including an interferometer. The science department was also given new audio visual equipment which includes a motion picture projector, a film strip projector, an overhead projector and a single concept projector with film. A student-project dark room with enlarged store-rooms and glass cases were built between the remodeled classrooms. Yes, it is true-John Burroughs is "where the action is," and the science building proves it!

19 Lettermen return for Varsity

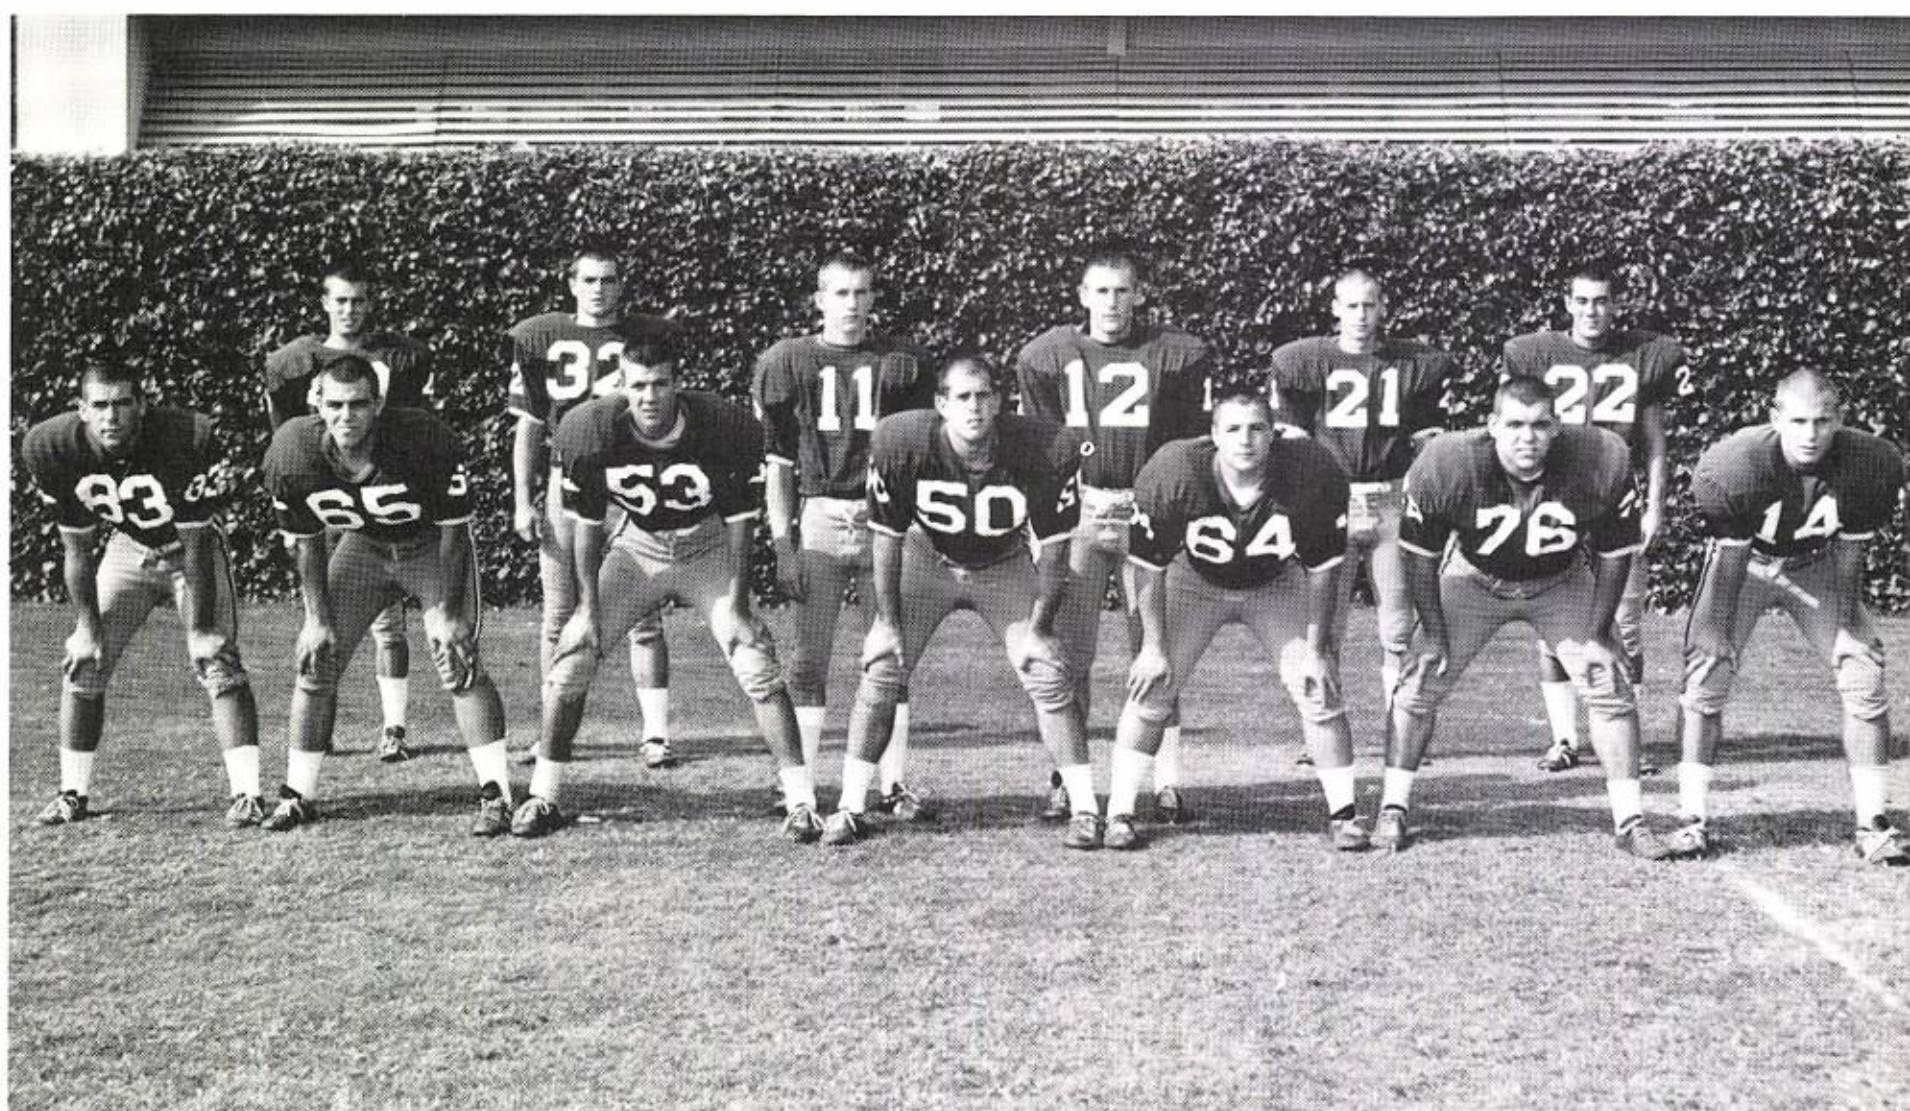

The '67 Burroughs Indians, by all indications, will be the finest team Burroughs has every fielded.

Serving his sixth season as Head Coach was ROBERT DUNIVANT. Coach Dunivant was assisted by KEN BIERMAN, backfield coach, and RANDY EDWARDS, line, and Junior Varsity coach.

Shown in what would have to be the biggest touchdown in the Indians' history, is MARK SHULTS (14), catching the ball for the only touchdown made against Blair. The touchdown was enough; Burroughs won 7-6.

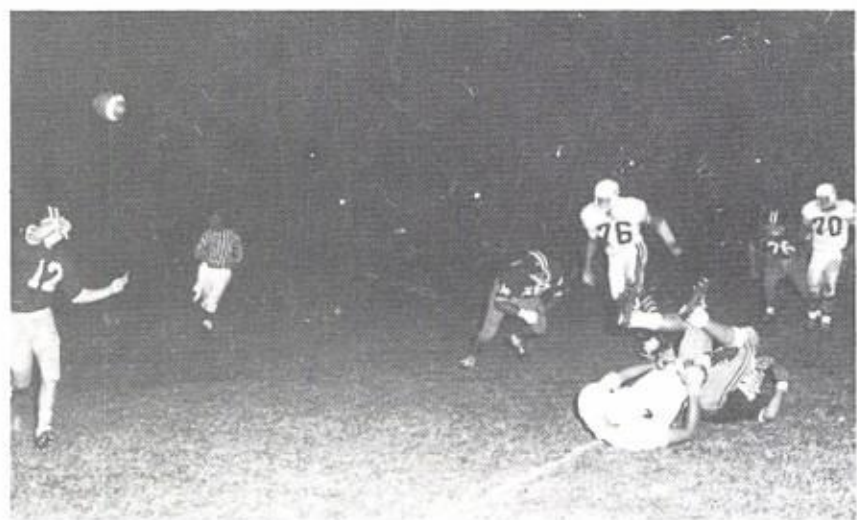

Releasing the ball just in time against Muir is Senior quarterback PAT FORD (12). Burroughs went on to lasso the Mustangs 33-13.

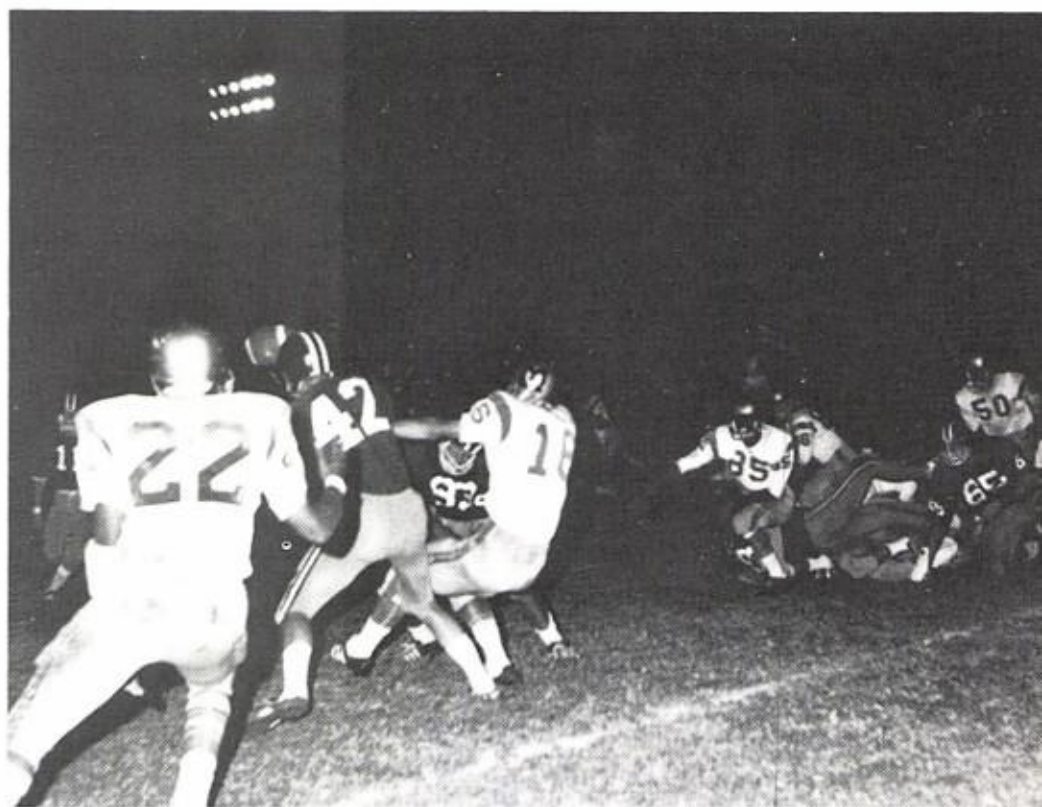

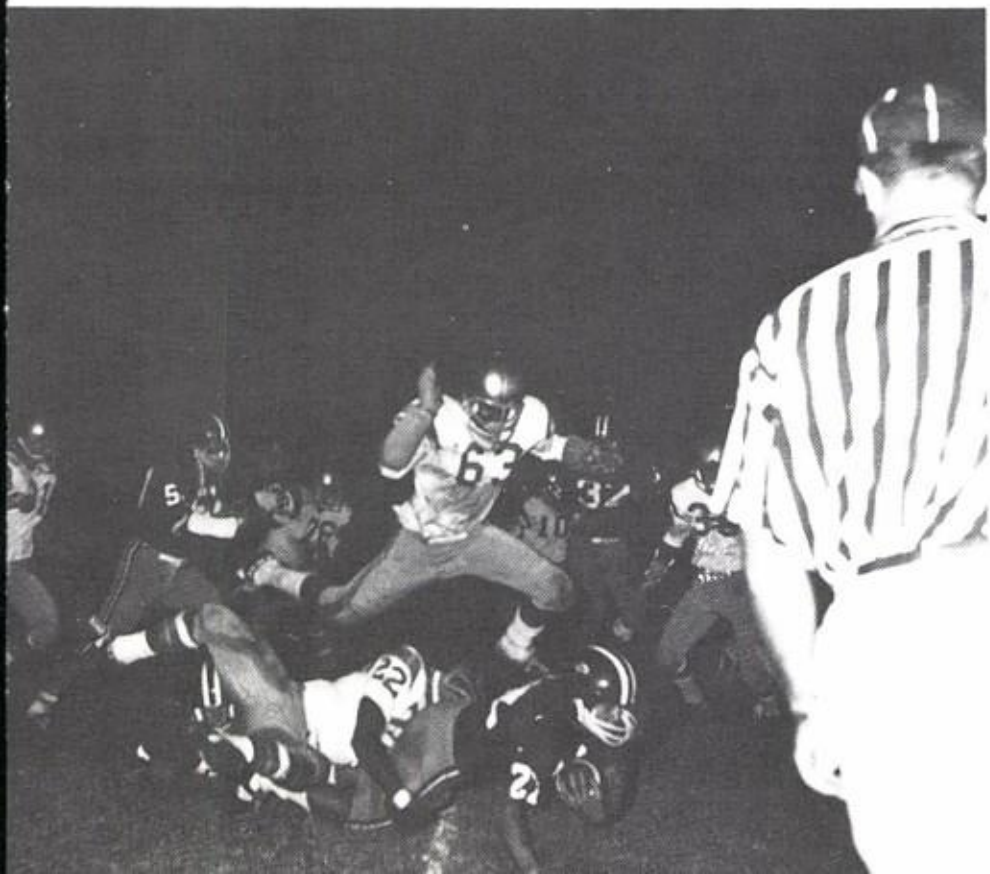

Side-stepping the opposition is Senior CRAIG CANFIELD (40), while JOHN PAGGI (41), and GREG MCATHY (42), attempt to clear the way.

Upon receiving needed time from Burroughs' line, Senior quarterback PAT FORD (12) launches an aerial against Crescenta Valley.

Brought down by a herd of Muir Mustangs is Senior speedster MIKE ERICKSON (22).

Making an outstanding reception between two Mustangs is GREG MCATHY (42). HANK REISNER (83) moves in to take the opposition out.

Scrambling for a loose ball are a host of Muir Mustangs and Burroughs' Indians.

Out-legging the Pasadena opposition is JOE D'ALESSIO (21). Burroughs went on to win 21-12.

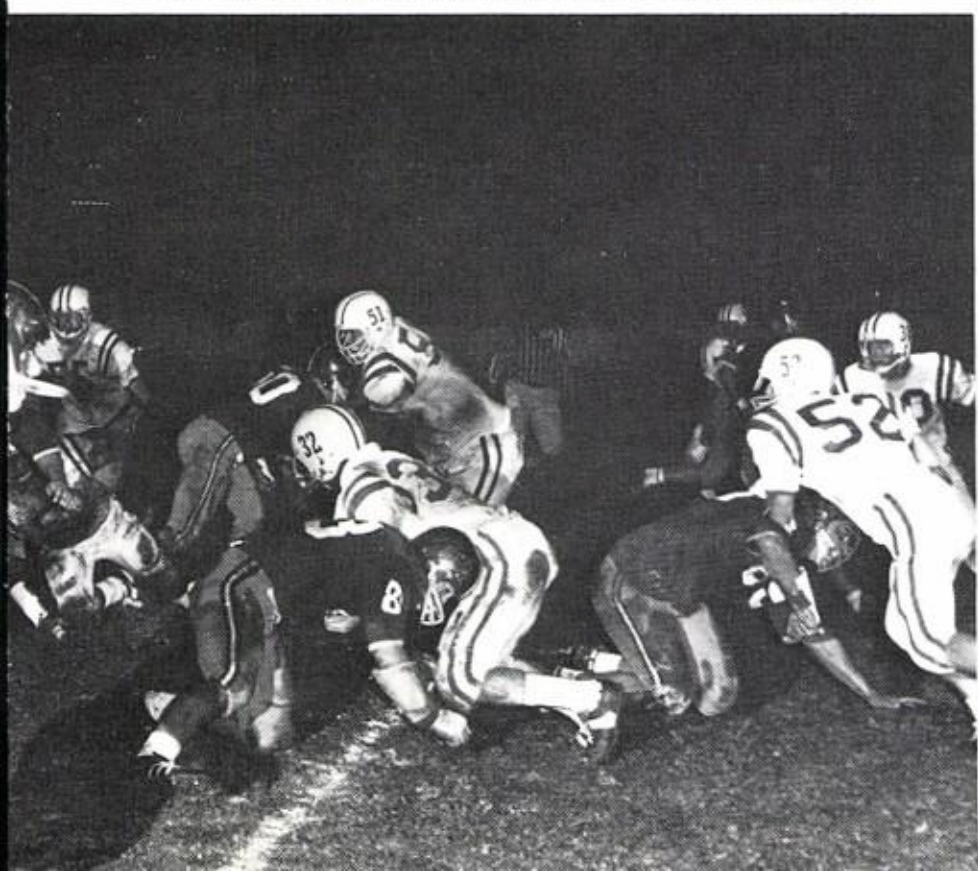

Running a down-and-out pattern is CRAIG CANFIELD (40). HANK REISNER (83) and DAN MC GINLEY (65) are laying their blocks to give the quarterback time to throw.

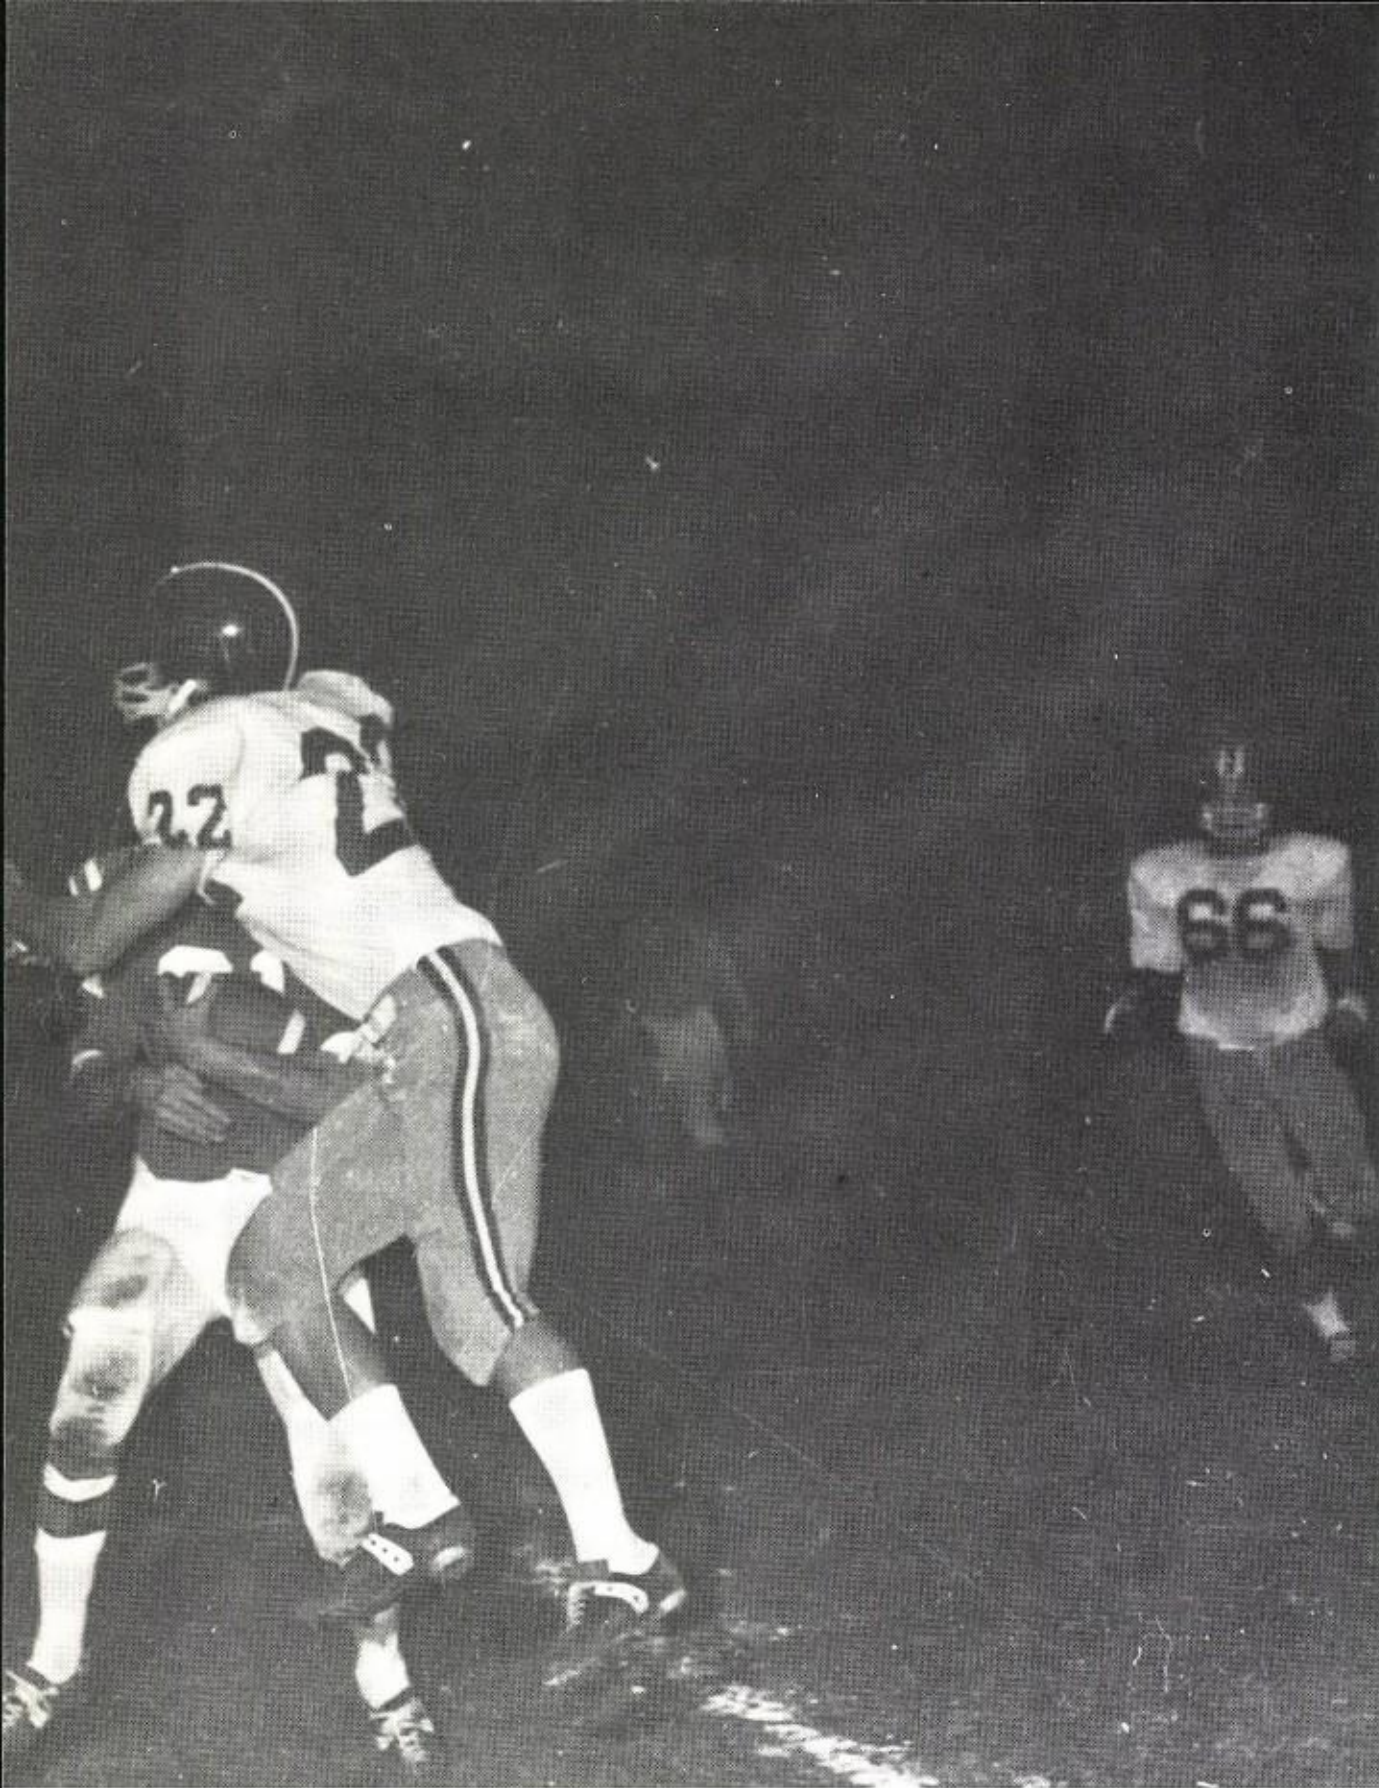

Winning the Foothill League Championship was a first in the nineteen-year history of the John Burroughs' Varsity football team. The biggest win of the season against Blair, who was undefeated in the past twelve league games, was edged in the last 45 seconds of play, making the score 7-6 for the Indians. In beating Pasadena 21-12 Burroughs clenched the title by being two wins ahead and only one game to go. The most anticipated game of the season for both Burbank High Schools proved a disappointment for the Indians. Burbank, playing their best game of the season, held on to the 20-0 halftime lead to beat Burroughs 20-19.

The Indians boasted many fine players on their championship team. A few of the many great players were all-leaguers Dan McGinley, Dave Hormuth, Randy Shultz, Mike Erickson, Craig Canfield, Tony DeMaio, Rudy Maurer, and Hank Reisner. An outstanding player taking top honors was fullback Dave Hormuth who gained over 800 yards during the season to break every school record for seasonal and career rushing. Dave was voted as Burbank's "City Player-of-the-Year." Since the initiation of this honor three years ago a Burroughs player has always been the recipient.

The '67 football season has been a rewarding one for the coaches, players, and Indian fans.

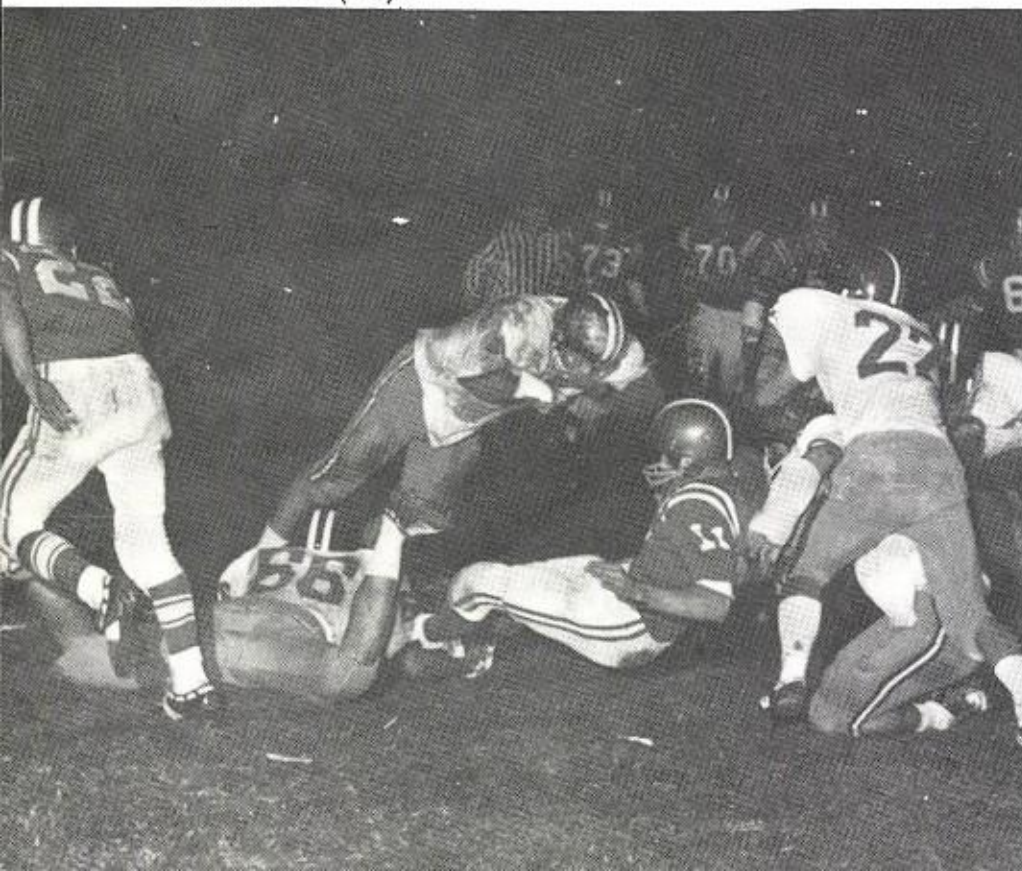

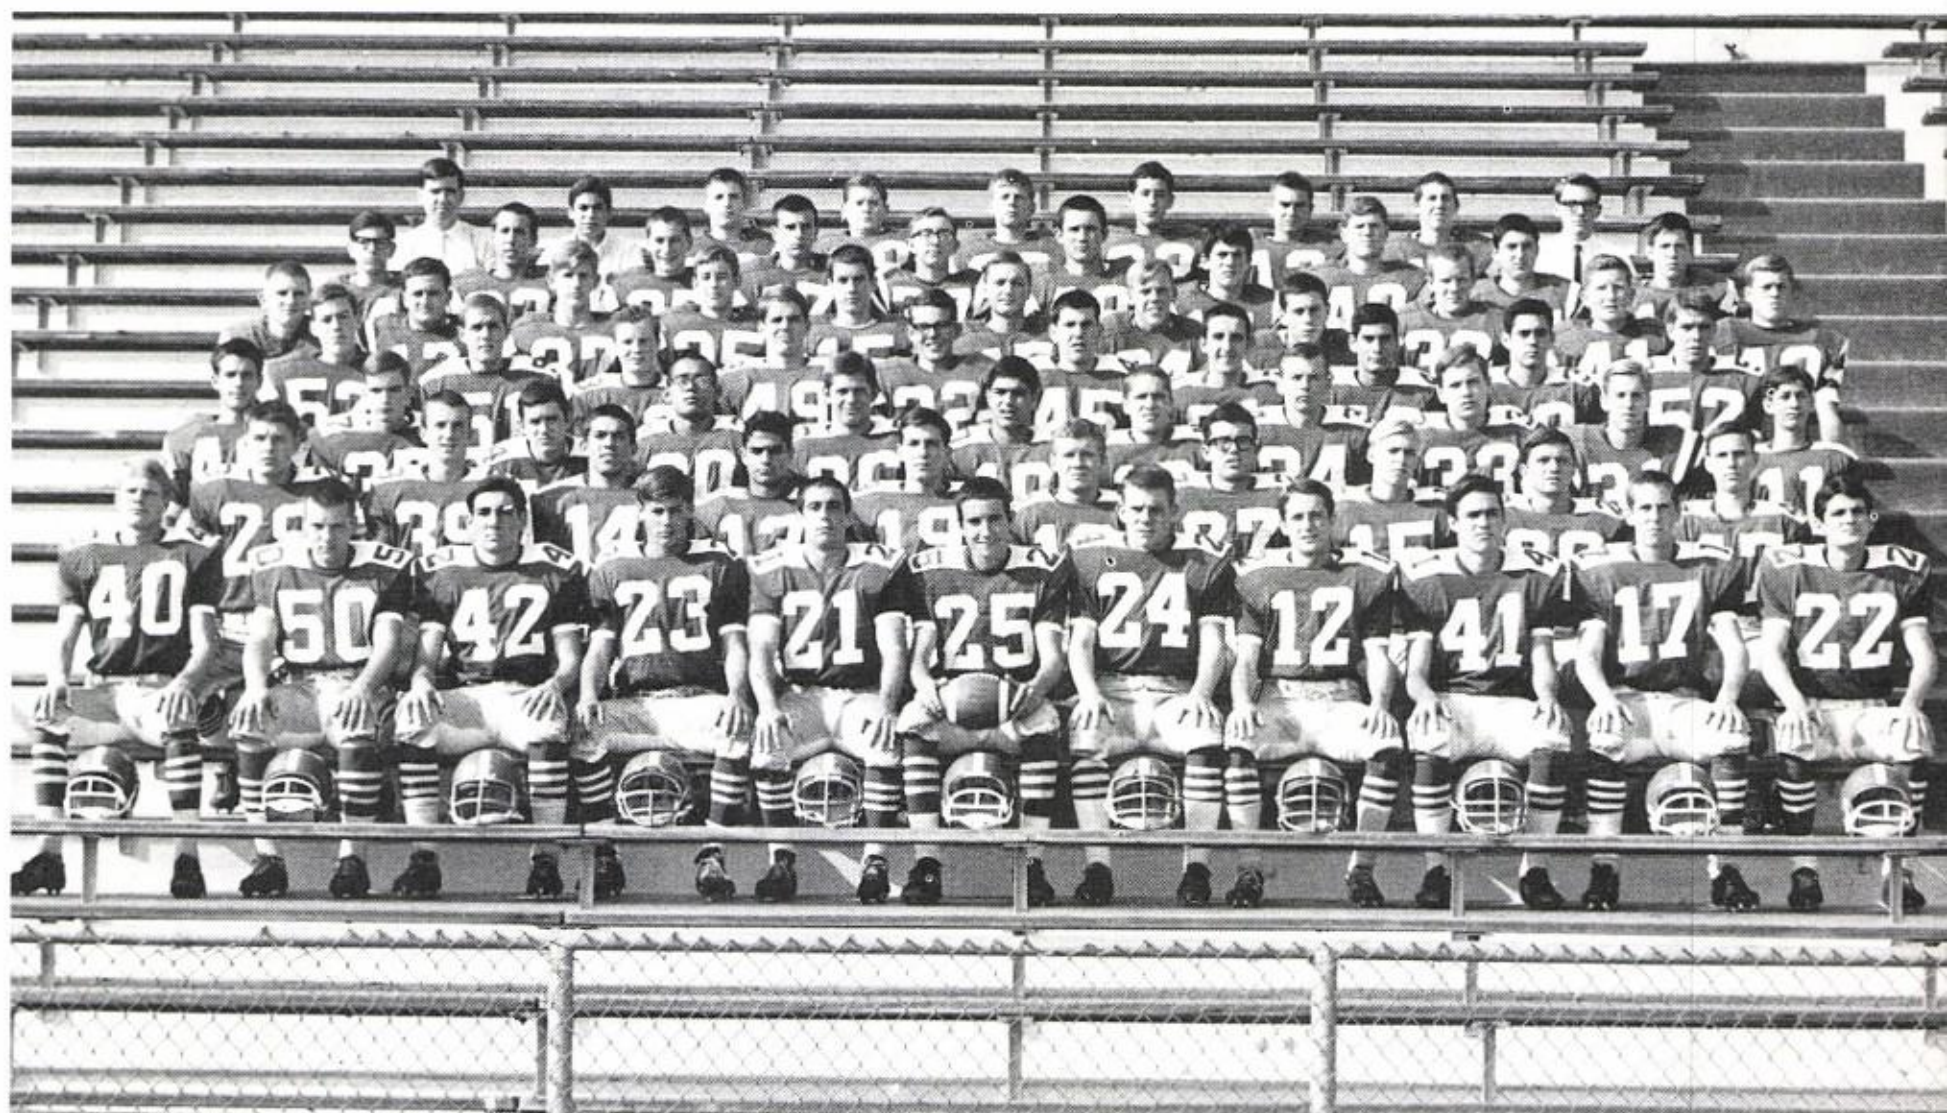

In the process of bringing down JEFF ALTMAN of Burbank is Senior MIKE ERICKSON (22).

Rushing in to tackle Burbank quarterback DALE CRESCIONE (11) before he was able to pass away to BILL HENRYSON (22) was RUDY MAURER (64), DAN VEGA (66), and MIKE ERICKSON (22).

Creaming the Burbank opposition is CRAIG CANFIELD (40), and RUDY MAURER (64).

Rushing around end against the Blair opposition is Senior STEVE DE SANTIS (12). The Braves went on to defeat Blair 14-13.

There were few bright spots in what was a trying year for the Burroughs Braves, one of these being quarterback, Dave Close. Coach Viskocil feels that Dave is one of the best quarterbacks the Braves have had in many years.

The Braves played a wide-open passing game using the "T" formation. The whole team was virtually inexperienced with only four returning lettermen. The rest of the team was made up of juniors and Seniors who had very little playing time behind them. Of the forty-five sophomores who made the team, Coach Viskocil feels about a dozen of them will be of service to the team. The traveling squad was the lightest in the League with only eight boys tipping the scales at over 140 pounds and one over a 150 pounds. On top of all this, the team was one of the slower teams in the League.

Throughout the season the Braves performed to the best of their ability.

Cross Country runners practice

Going out for the Cross Country team in '67 were top row, left to right; Ted Koerner, Steve Evans, Russ Jorgensen, Ted Marcinko, Ron Doan, second row; Paul Biddick, Jeff Dondanville, Tony Goffredo, Chris Sottile, Brian Kloch, bottom row; Pete Waldorf, Rich Howard, Bob Anderson, Gary Carlson, Spencer Smith, Dan Brooke, Tom Thompson, and Greg Switzer. Not pictured were Roy Hixson and Mike Calvin.

many hours after school

Out-legging the opposition in a meet against Glendale is GREG SWITZER on the Griffith Park course.

Getting set for the starting signal at Griffith Park are the Burroughs and Hoover runners.

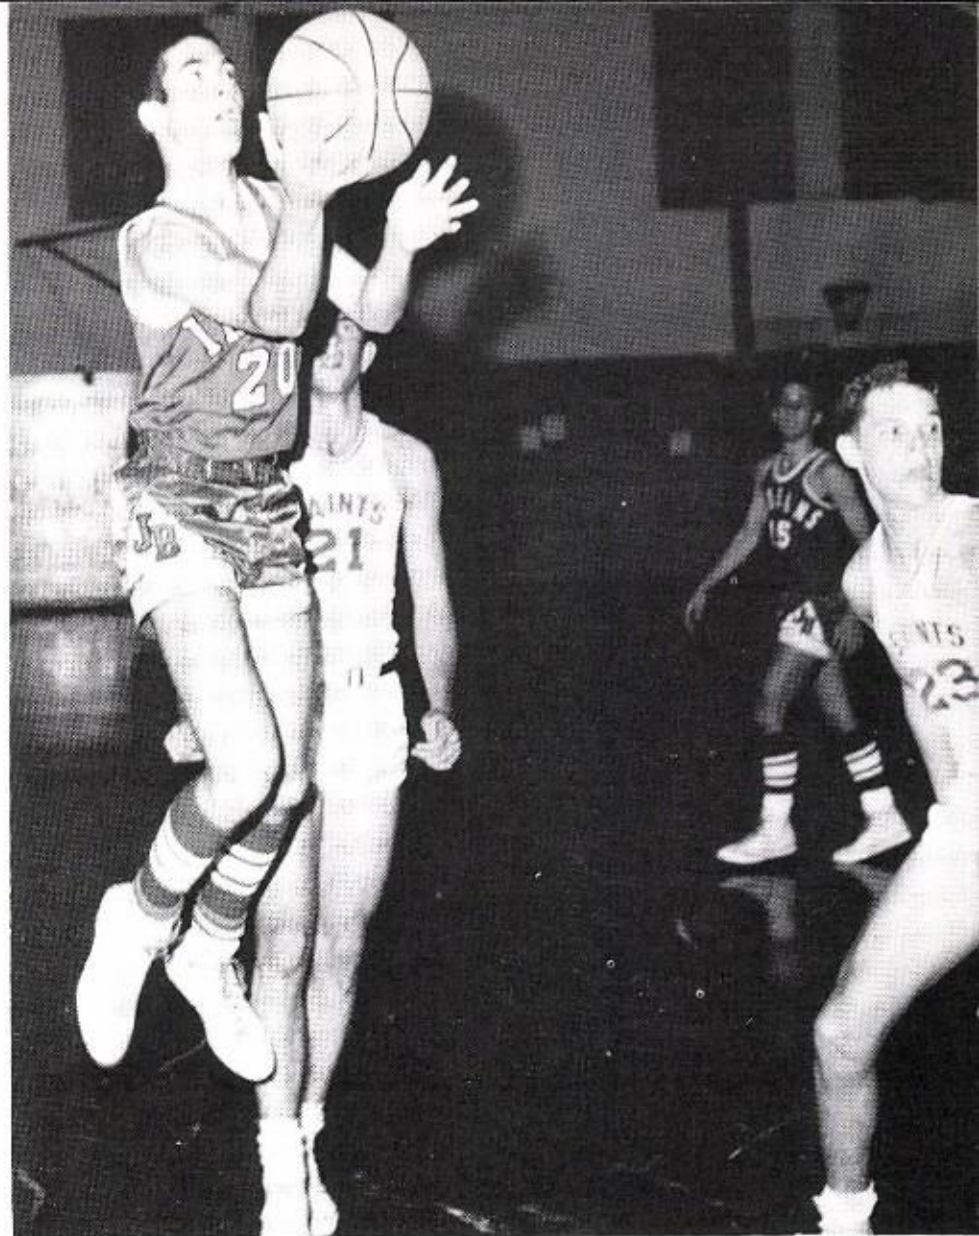

In his fifth year as Cross Country Coach was JACK DRAGER.

The cross country team's record shows one win and a tie in the regular dual meet competition, and a win over Pasadena in the league finals. Coach Drager feels the '67 season was a building year for the team.

Throughout the season there were many fine individual performances turned in by both juniors and Seniors. A new school record was set for the regular Griffith Park school course of 9:48 by Senior Greg Switzer. Greg put many hours into his running after school and weekends on his own time. As shown by his repeatedly good times in many meets, hard work proved helpful. Also, an outstanding job was turned in by junior Tom Thompson, who broke the old school record by more than a second. With nineteen boys coming out for cross country and all of them putting in many hard hours during school and on their own, Coach Drager feels next season should be a much improved season due to nine strong returning lettermen. Looking ahead to the next season, Burroughs will expect an outstanding showing.

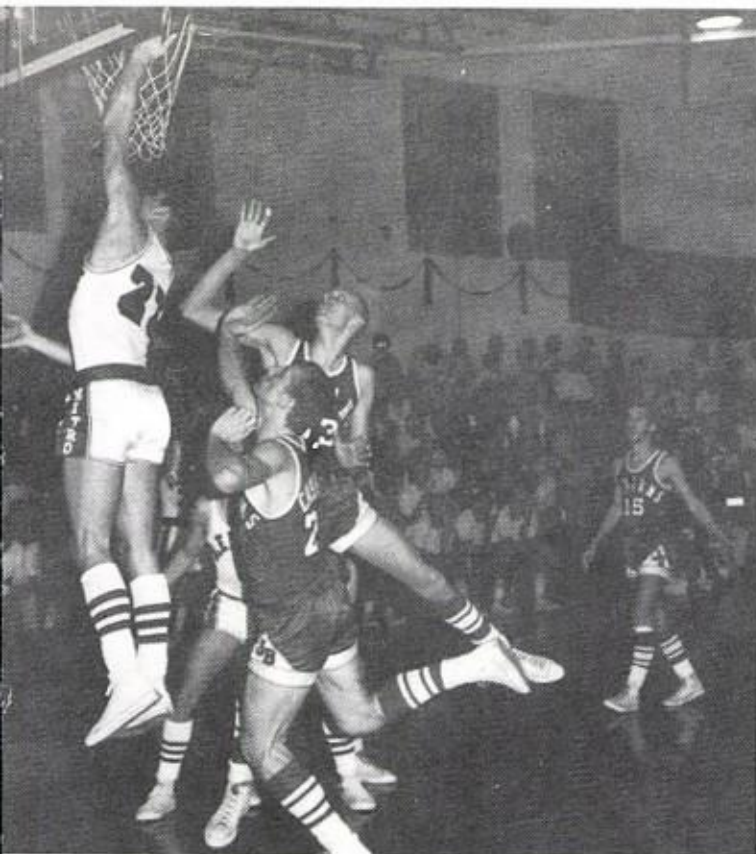

Varsity Cagers well-balanced team

Junior forward BOB HINES (20) drives in and takes a jump shot from just inside the key against the St. Anthony Saints.

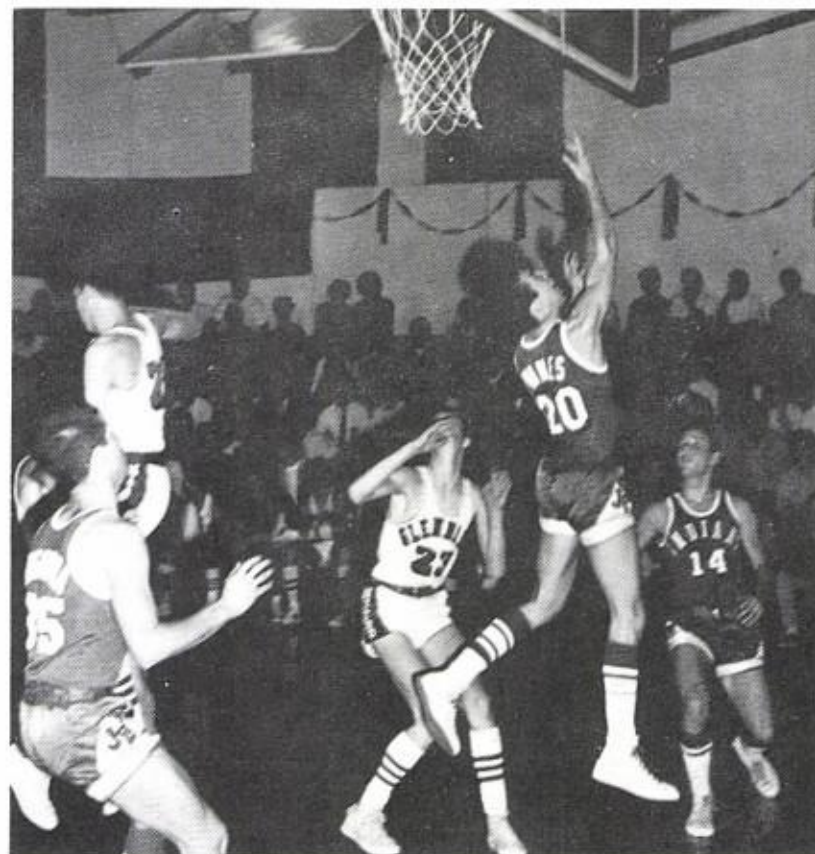

Varsity cagers for '68 were top row, left to right; Dave Hormuth, Mike Leum, Larry Casella, Roger Fritch, Kerry Carmody, Harlan Anderson, Larry Prinz, John Taylor, Bob Kinzel, and bottom row, left to right; Steve Maggiora, Craig Canfield, Bob Hines, John Goffredo, Pat Ford, and Mark Shults.

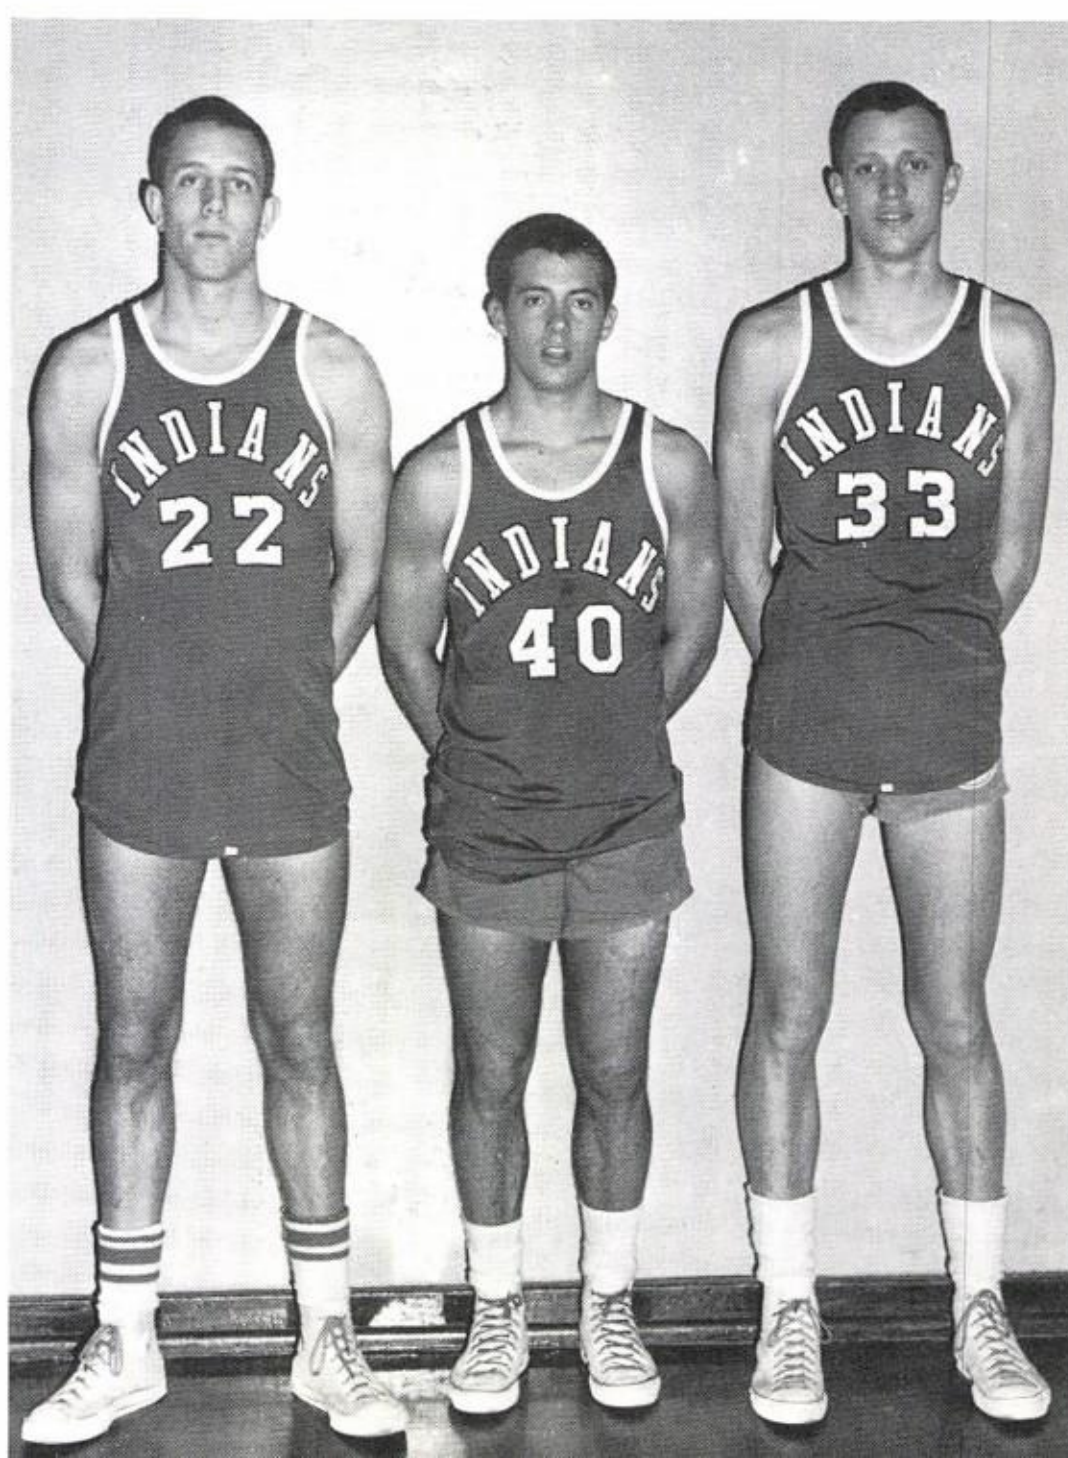

Trying not to foul a Glendale man are LARRY CASELLA (23) and HARLAN ANDERSON (33) as they await a possible rebound.

Completing his seventh year as Head Varsity Basketball Coach, KALE CANFIELD feels this is the best team he has ever guided.

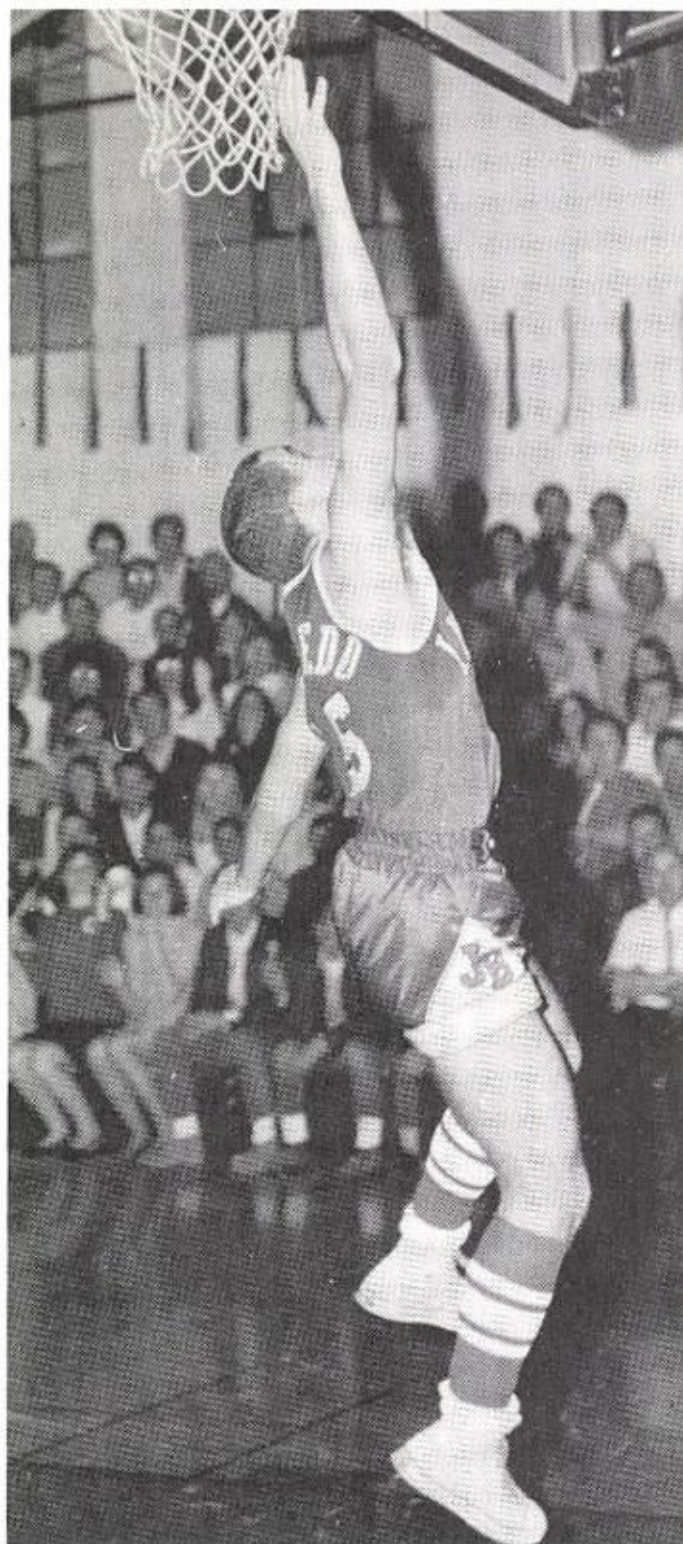

BOB HINES (20) dives in to make a beautiful lay-up shot as STEVE MAGGIORA (35), MARK SHULTZ (14) and an astounded Glendale player look on.

Leading Varsity cagers through their best season in many years were Tri-Captains ROGER FRITCH, CRAIG CANFIELD, and HARLAN ANDERSON.

In the Burbank-Burroughs' game, crowded conditions were not limited to the stands. A host of Braves and Bull Pups fight for height in the struggle for a rebound. In all the action are MIKE CALASIBETTA (20), and DAVE NELSON (25).

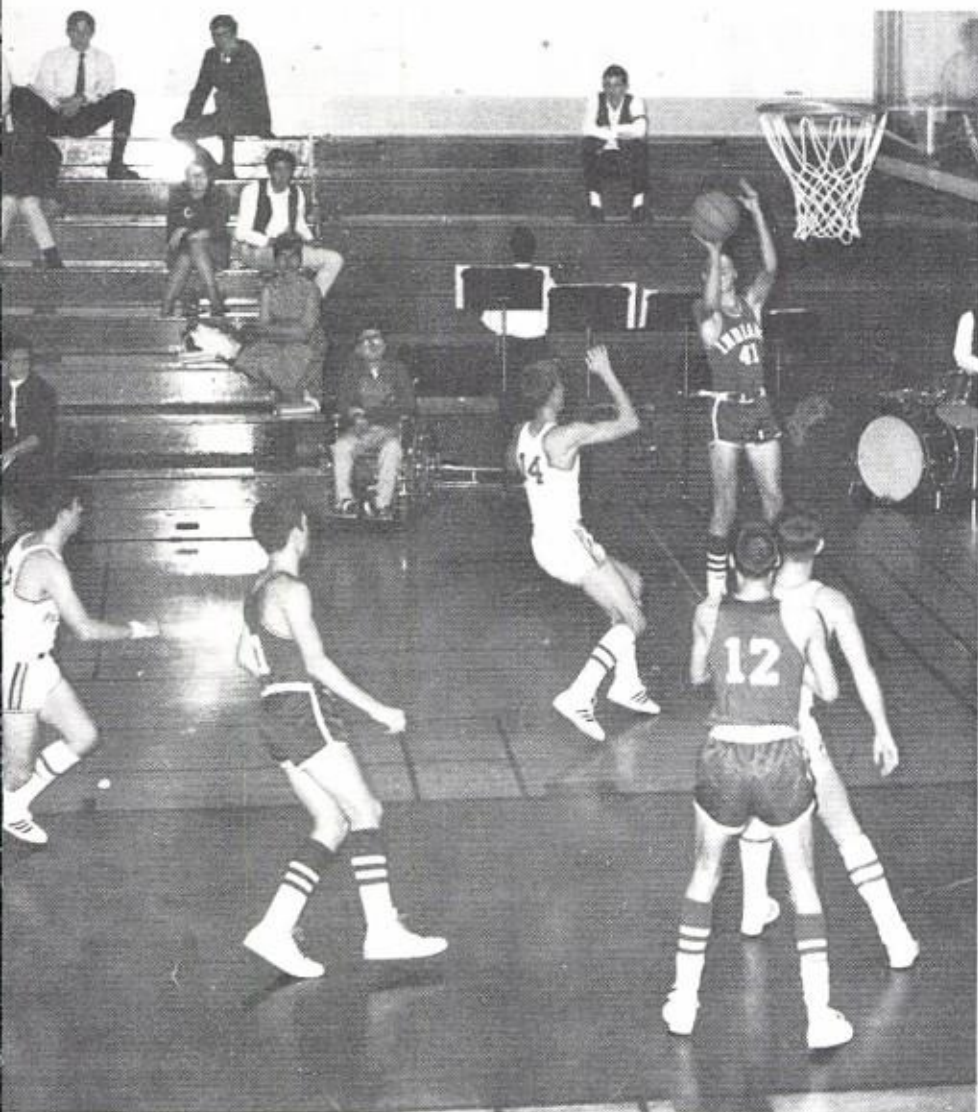

MIKE CALASIBETTA (20) shows his aggressive style of shooting from outside.

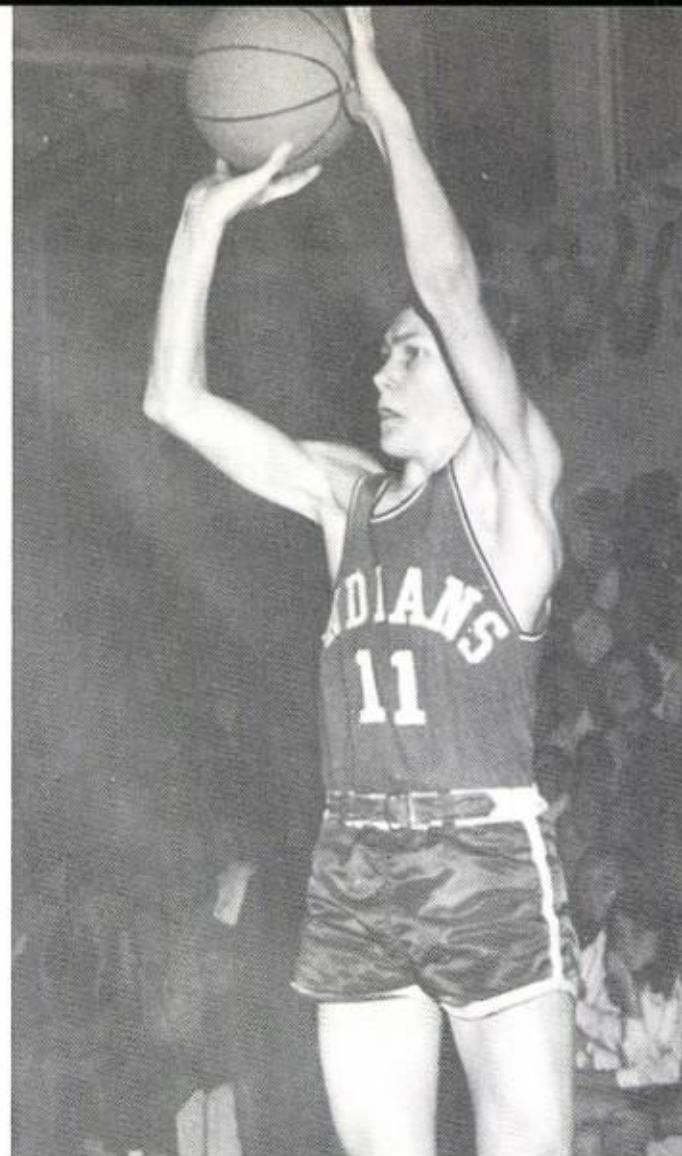

As three Pasadena players rush in to block a shot, KEVIN ANDERSON (11) takes to the air for a ten foot jump shot.

MIKE ROCCO (41) sets himself for a fifteen foot jump-shot in the Pasadena game. KEVIN ANDERSON (11) and GARY CONNELLY (12) move in for the possible rebound.

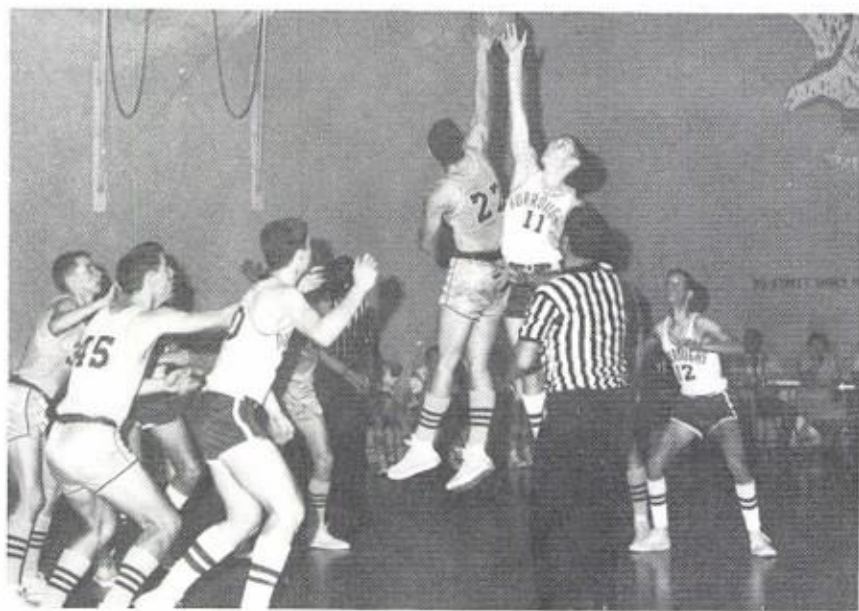

KEVIN ANDERSON proved to be a valuable asset to the Braves. Here he demonstrates his outside jump-shot.

This year's Braves finished third in the Foothill League. They rounded out the season with eight league wins and six losses. Their overall seasonal record contained eighteen wins and nine losses. Although the Braves were unable to capture first in any of the tournaments, they did take second in the Foothill League Tourney, and third in the Santa Monica and Bell Garden tournaments.

Dealing double defeats to Glendale, Blair, and Crescenta Valley, the Braves showed their fine fighting style. From twenty-two points behind in the Muir game, twelve in the Glendale, and nine in the Crescenta Valley, the "comeback kids" come back to win all three.

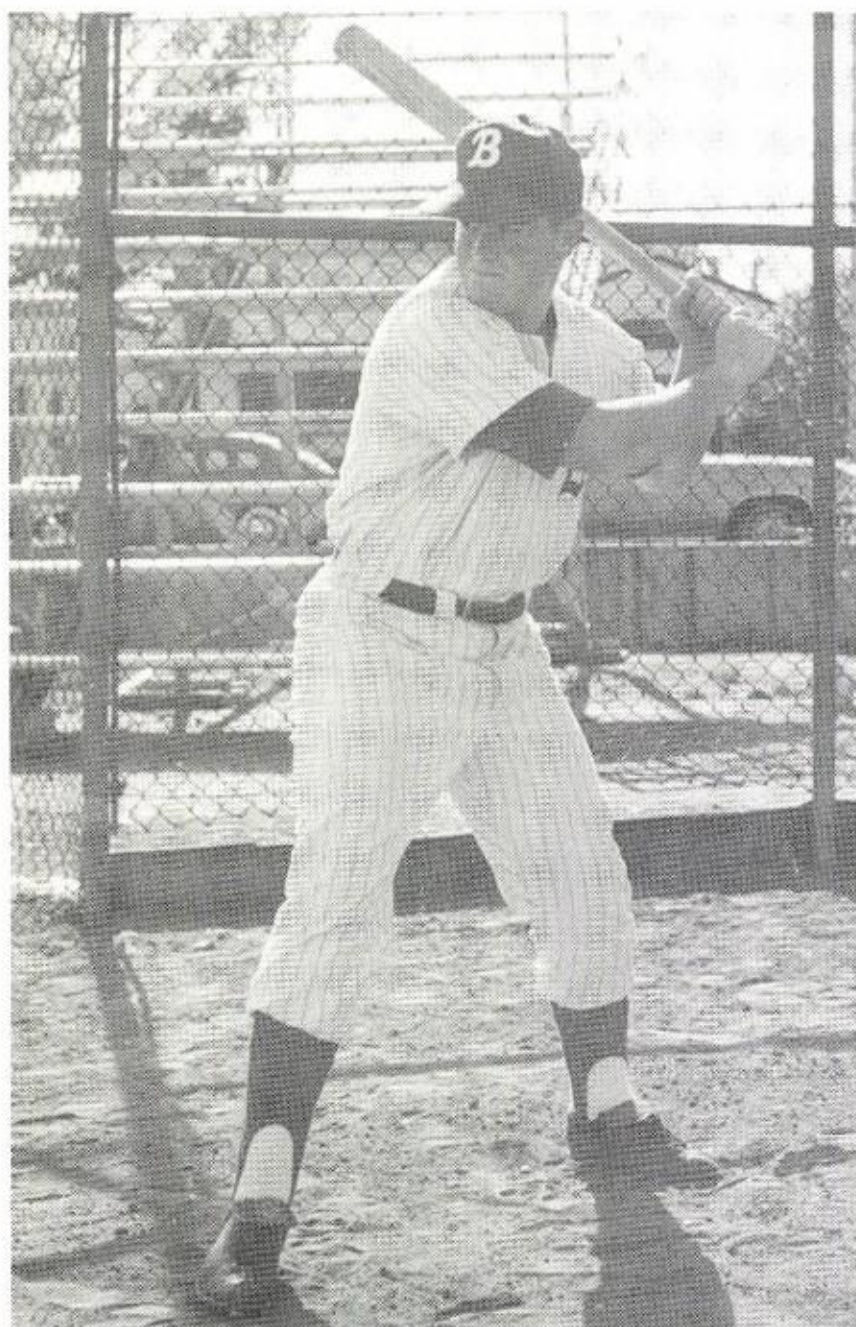

This year's high scorers were Mike Turner; with a twelve point average for each game, Mike Calascibetta with eleven, and Mike Rocco with ten.

Coach Ron Craig feels that the team could have done better, but he's pleased with the realization that many present players will be returning next year.

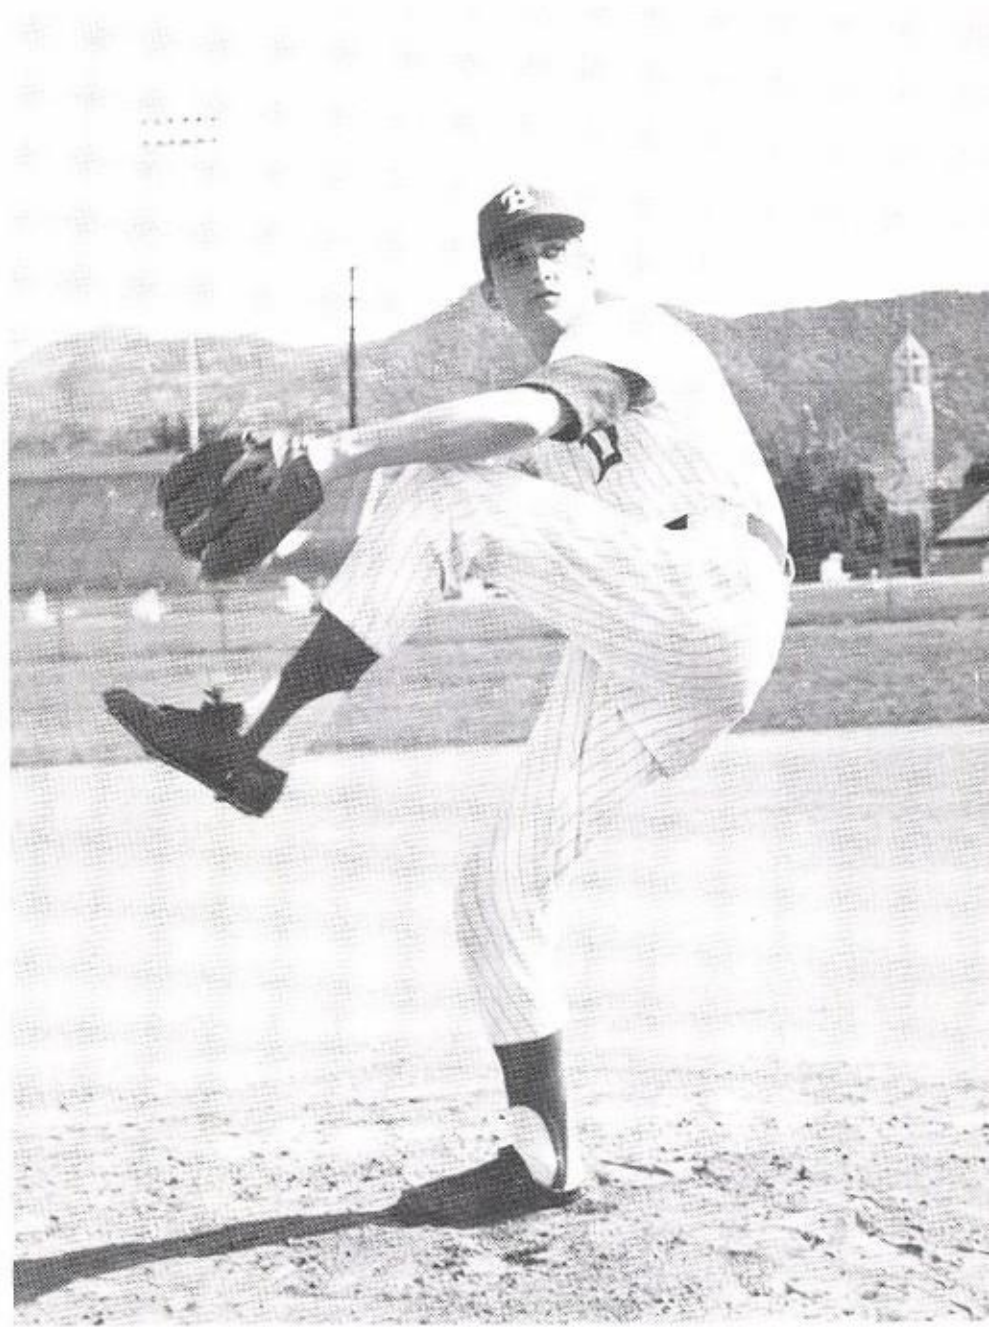

KEVIN ANDERSON (11) goes up high in attempt to out-jump the Crescenta Valley player. Braves went on to victory in a hard-fought contest.

Baseball players determined to

BRAD NELSON is one of the best hitters on this year's Varsity Baseball Team. Last year Brad was an All-League left fielder and a probable All-Leaguer this year. With the look of determination, Brad steps up to the plate.

Coaches RON CRIAG and KEN BIERMANN study plans for the '68 Baseball Team.

JIM HUDSON is up from the J. V.'s and is now a starter on the varsity nine. He is constantly improving his hitting and fielding and hopes to help our varsity nine take the league.

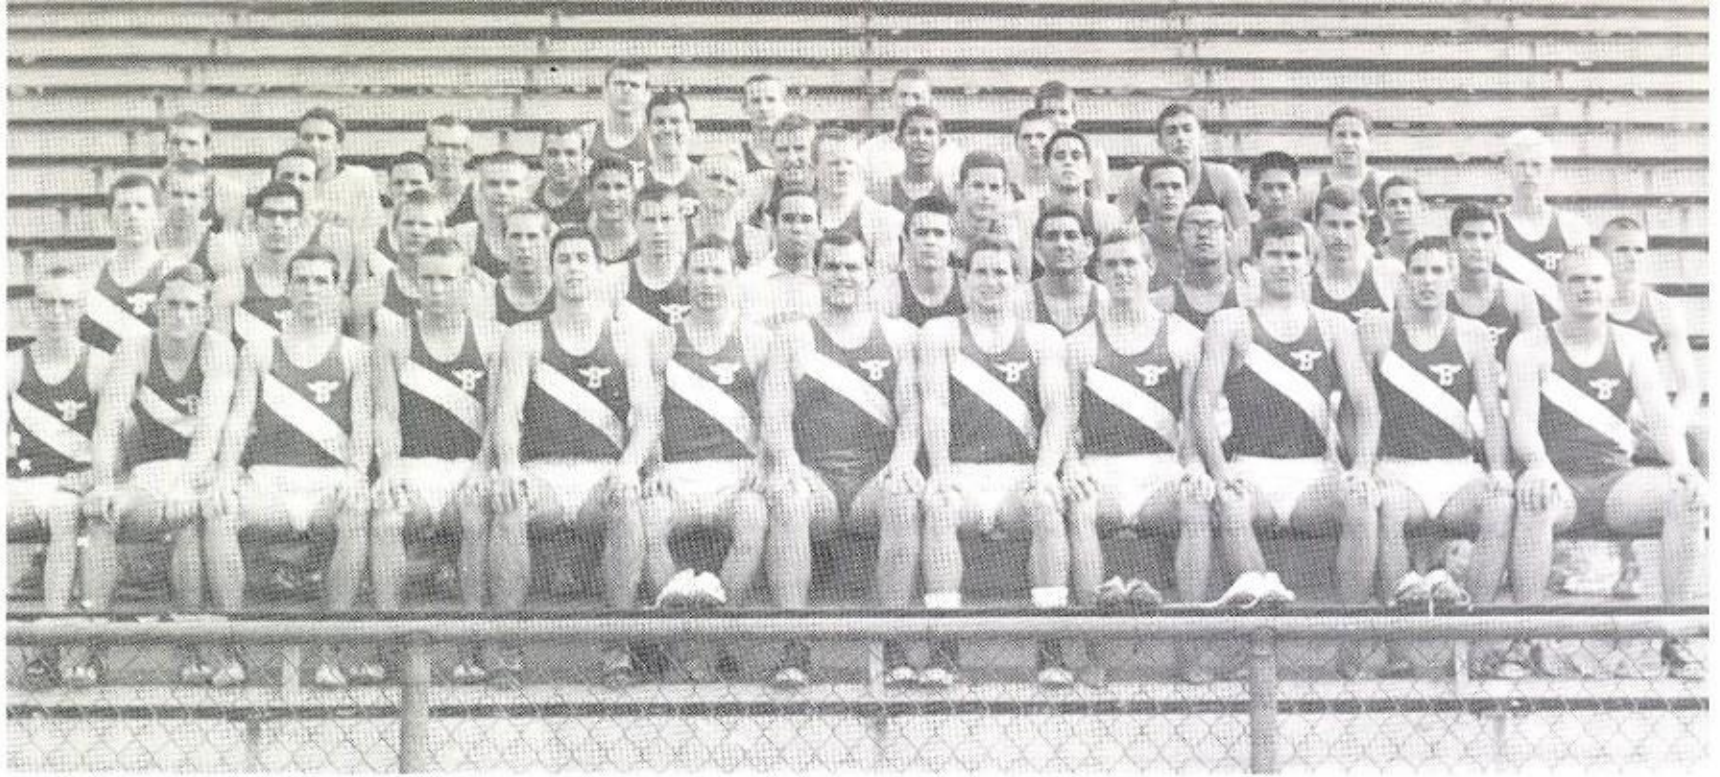

This year's baseball team is hitting hard and fielding well. Starting off the season with a 2-2 record, they expect to excel this season. In their first game against Burbank the Indians were victorious. Other early games included Monrovia, Thousand Oaks, and Channel Islands.

Returning lettermen consisted of Craig Brown, Dave Hormuth, Tony Demaio, Steve Fitts, Doug Pierce, Brad Nelson, and Joe Peterson. With these strong fieldmen, plus new Varsity players from Junior Varsity such as Gary Robson, Mark Shultz, Ty Garretto, Larry Prinz, and Bruce Ihle, many exciting games are expected.

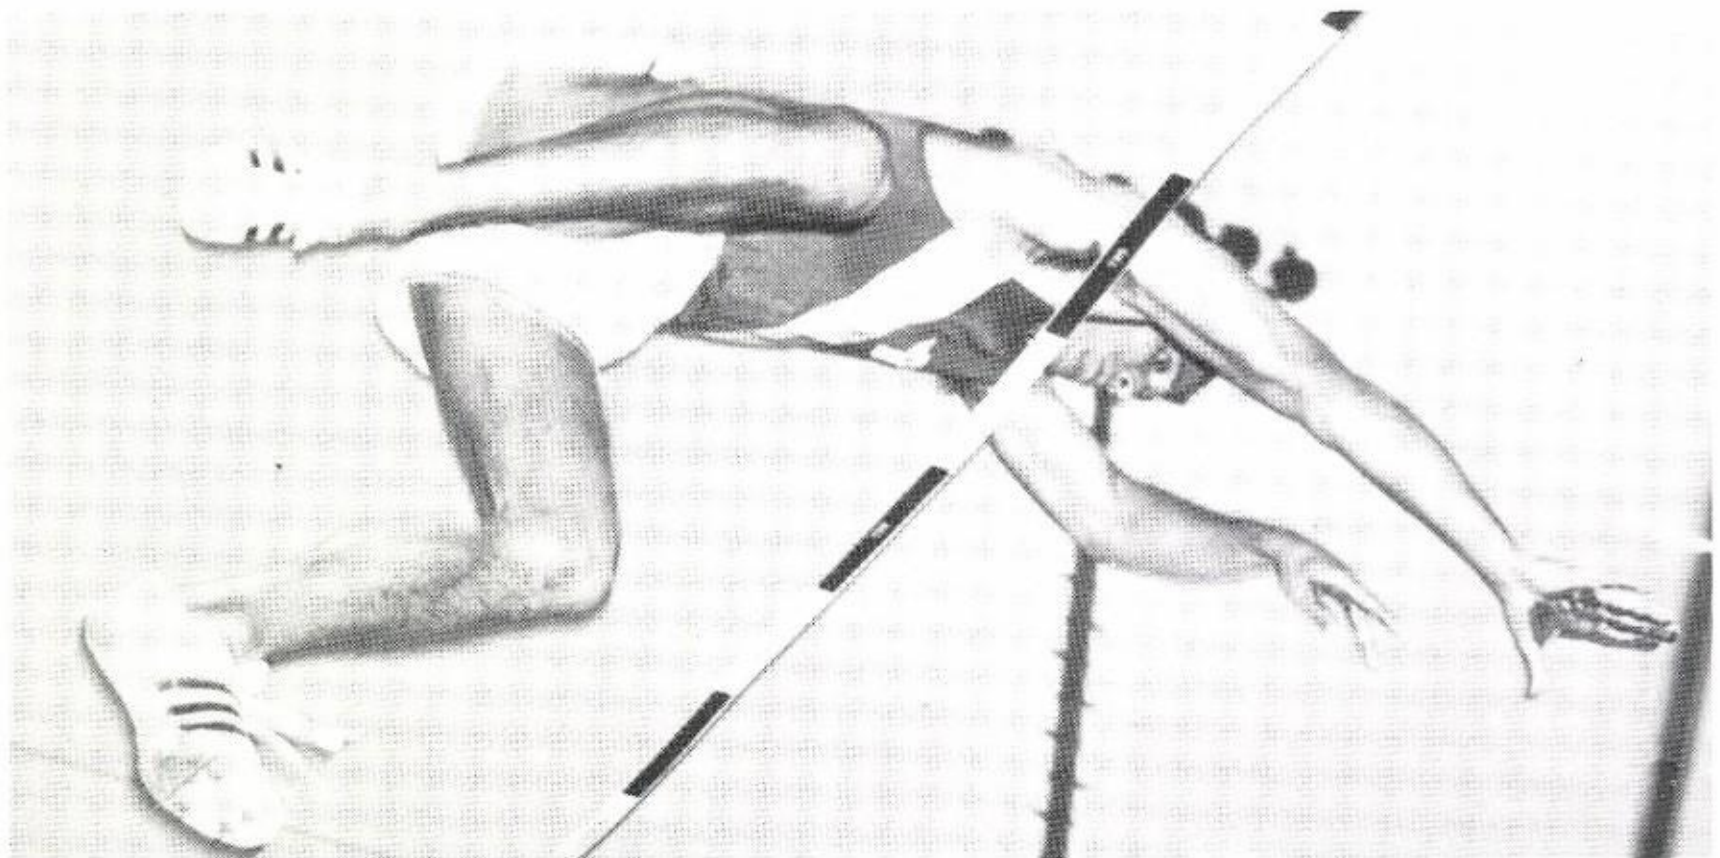

Coach Bierman feels that with the potential of this year's team, it should become one of the best in Burroughs' history.

Sophomore BOB PHILIPS shows great determination and style as Coach Dunivant looks on. MARK CARTER, also a sophomore, warms up in the background.

Streaking across the finish line, BOB WONG, junior, takes a first in the "C" fifty yard dash. BILL BARETT takes a close second.

Vaulting over 12 feet is Senior JON WOODARD. Hopes of 14 feet are voiced by Jon.

With an even record of one win and one loss, this year's Varsity Track Team was off to a fair start. Progressing along, Coaches Jack Drager and Robert Dunivant are hopeful of five wins. Coach Drager feels that the only two really difficult meets are Muir and Pasadena. Even those two strong teams might fall before the Indians. The small turnout for the sport this year has been made up for by their mass improvement. Outstanding men include Don Brook (880), Don Avila (Pole Vault), Mike Leum (100 Yard Dash), George Damarjian (High Jump) and Ray Polidoro (50 Yard Dash).

Bees and Cees this year started out weak but as the season carried on they improved. Ray Hickson, outstanding Bee in the 1320, is trying for a new school record. Bob Wong is back for the Cees again this year as the strong man in the sprints and long-jump.

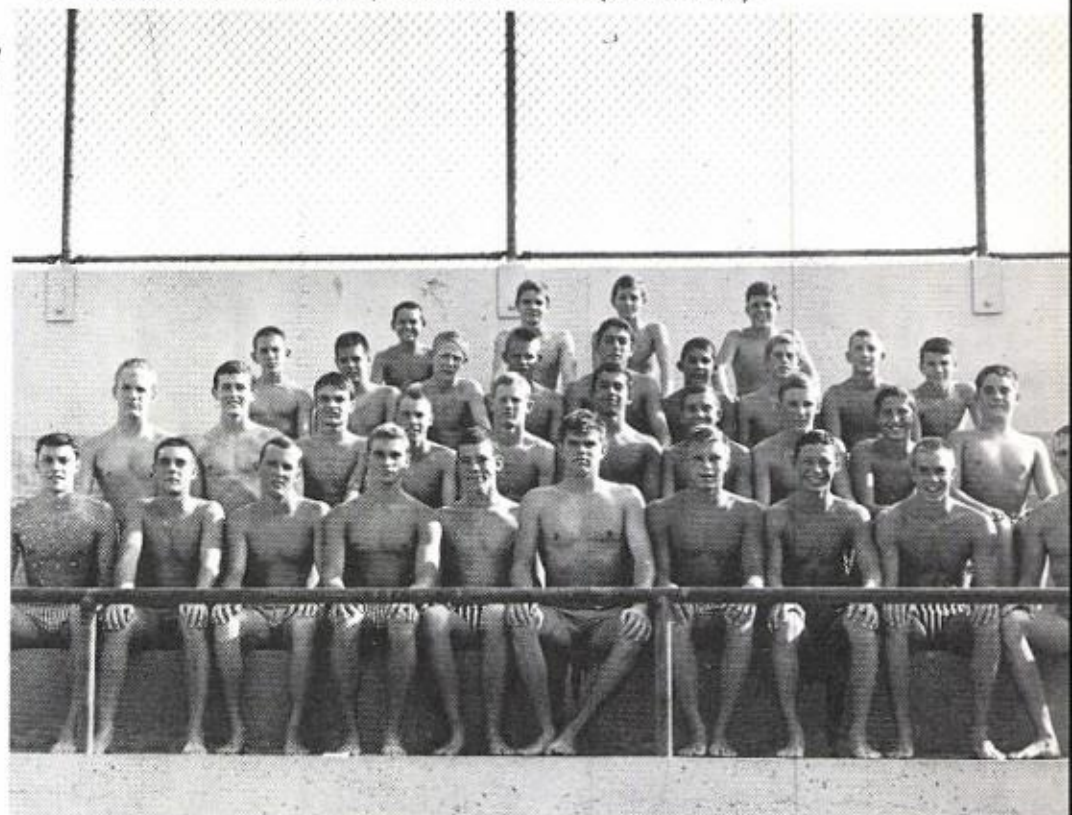

GARY HUNT finishes first in the Bee 440. MR. STANLEY ASPITTLE clocks him in.

Sailing across the long jump pit is Senior RANDY HUNT. Judging the event is Boys Vice-Principal JAMES LLOYD.

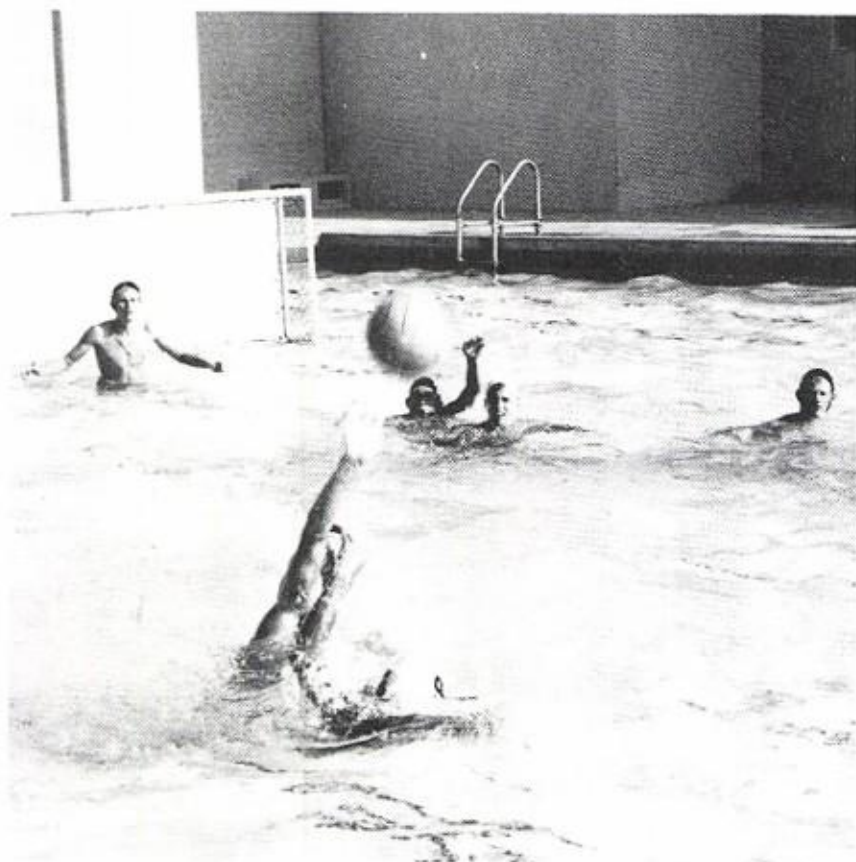

Water polo newest addition to Burroughs sports activities

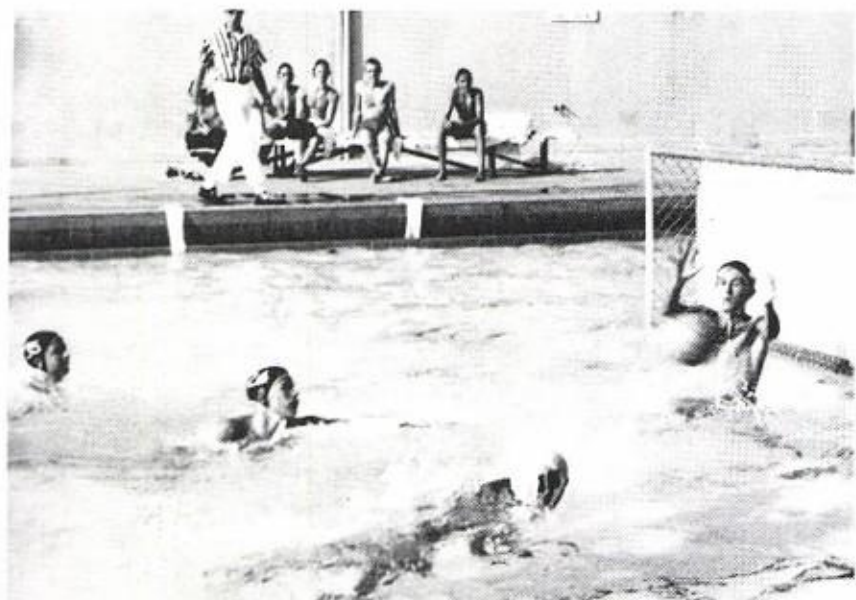

Water Polo team consists of Wayne Swartz, Dave Crawbeg, Pat McGinley, Brad Bridges (back row); Steve Self, Jim Winton, Jim Kelleg, Greg Nash, Vic Germano, Mike Santago, Kevin Greene, Nick Catrow, Lon Bradshaw (second row); Tim Ireland, Mike Norris, John Orlando, Mark Buss, Jeff Spencer, Andy Senjei, Doug Bishop, Doug Thompson, John Conery, John Kiel (third row); and Dick Habitz, George Lewis, Terry Rittmiller, Dick Bopp, Kevin McVerrg, Jim Bence, Chuck Wahl, Jon Woodard, Ed Gullekson, Norm Nansel (front row).

The first Water Polo team in the history of John Burroughs did exceptionally well. Although this first season was a learning one, Burroughs Water Polo players fought hard and showed great potential against highly rated schools. Varsity standouts were George Lewis, Ed Gullekson, and Larry Rittmiller. The Bees were led by Doug Thompson, Scott Kelly, and Mike Norris. Cees were led by Pat McGinley and Brad Bridges. All of the games proved to have many exciting moments for all involved. Many hidden talents were brought out in this first year of Water Polo. If this year was any indication of the years to come Burroughs is surely to have great water polo teams in the near future.

DOUG THOMPSON goes up for ball against Pasadena opposition with JEFF SPENCER, BRAD BELKNAP, and MIKE NORRIS in the background.

Winning all of their first four meets, they hope for an undefeated season. Headline swimmers this year are Alan Pinson, George Lewis, Larry Rittmiller, Dick Bopp, and Mark Buss.

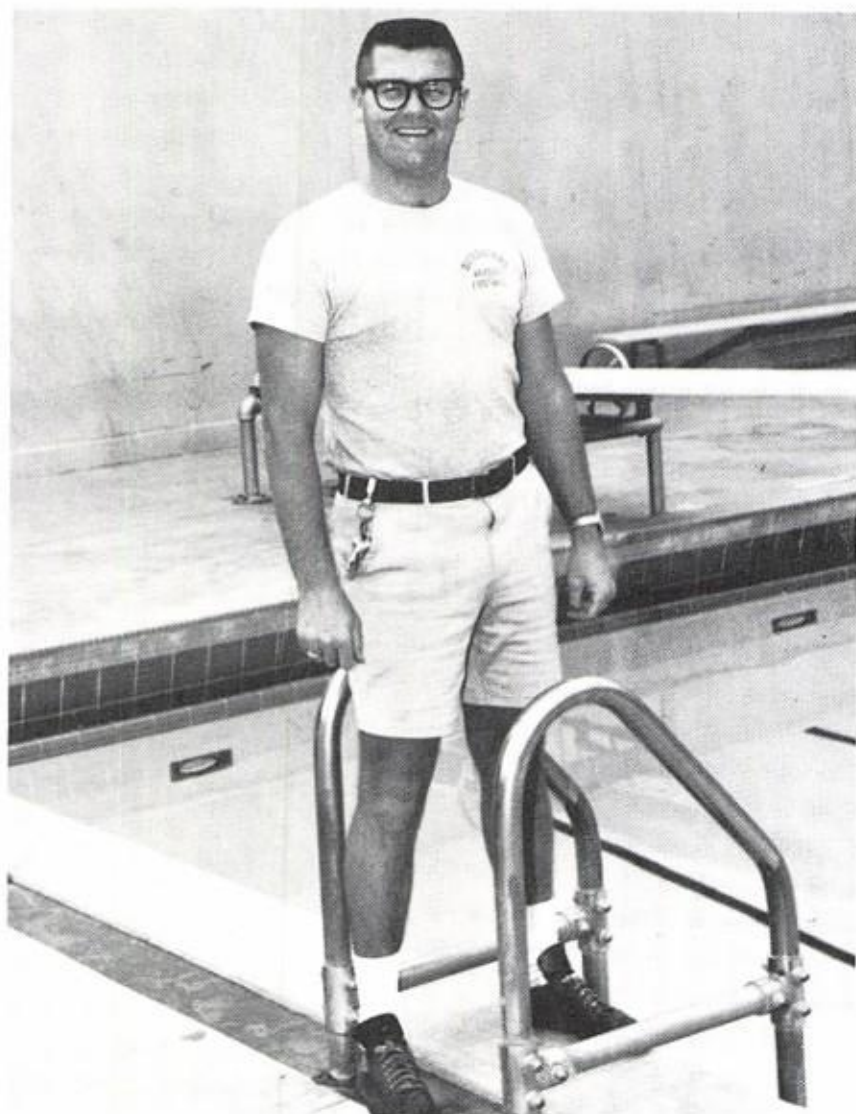

Starting out in low, the Bees and Cees hope to get into high by the start of the season. Bees include Doug Thompson, Scott Kelly (showing great style this year), Andy Senyei (butter-fly), and Jay Reynolds.

Guiding the Golf team for the '68 season was GEORGE BOONE.

The Golf team started off slowly this year by losing their first two matches to Muir and Hoover. Against Pasadena they showed their true style, and won. On the move, now, they are looking forward to the Optimist, Foothill League, and C.I.F. Tourneys.

Many of last year's players, such as Rick Curtis, John Jacobson, Les Barton, Alan Ihle, Mike Dockhorn, Larry Melideo, and Bruce Polidori, have returned this year. Supporting the sophomore clubmen, Steve Tidik, Gary Cates, and Kevin Anderson.

Coaching the Golfers again this year is George Boone. He hopes for a fine season, and really believes the boys can do it. With their experienced players, and enthusiastic new players, the team will be striving for honors.

"Tennis is a swinging game," comments Coach Robert Brewer, "and this year we're out to prove it!" With only eight returning lettermen, the team is rather green, yet the fresh spirit seems to keep the team burning. Through the first part of this season they have remained undefeated. The whole team isn't satisfied with this, though, because they're out to take the league. The team has already bettered the dismal record of last year.

The first five single positions are very well filled by Dick Patterson, Bob Kaaren, Eric Livingston, Ed Fruechting, and Bruce Berger. These five boys are all back from last year. The doubles appear to be in good hands with Russ Saneto and Loren Clapp anchoring the number one position and Jeff Herbst and Tom Vanda strongly entrenched at number two.

All in all, with the old hands and new sophomores, this year's tennis team can be counted on to be one of the best in a longtime.

Showing his winning style, is Senior swinger RUSS SANATO.

MR. ROBERT BREWER, in his fifth year as tennis coach, looks forward to a bright season.

ACTIVITIES

ACTIVITIES

John Burroughs jumps the gun! Principal MR. SHERMAN CHAVOOR welcomes approximately three hundred sophomores at pre-school orientation program.

The time is now and the action is here-- at John Burroughs High School. Students set their pace throughout their high school careers by their participation in school activities. Whether it be in a science lab, out on the "grid iron," or in a dance studio, Burroughs has activities to satisfy the interests of every student.

Careful discussions and planning by students and teachers are required for a successful year. A busy calendar of extra-curricular activities including clubs and social events, is planned by committee chairmen, club representatives, and faculty members far in advance for the coming school year.

Boys prove to be participants in such sports events as football, basketball, baseball, and track. Girls also have the opportunity to take part in sports, clubs, and organizations such as Letter Girls' Club, Girls' Athletic Association, and Minorettes.

Burroughs Fine Arts Department hosts many organizations including the Instrumental Music Association, Senior Choir, and the Dance Club. Highlighting the activities of the Fine Arts and Drama Departments is the presentation of this year's operetta, "Call Me Madame," and the annual Senior play, "The Miracle Worker."

The various committees, councils, and organizations help promote school spirit, develop student government, and add variety to school life. The results make the time spent planning well worth while.

Students wait in line to see their counselors for program changes.

For the benefit of the new sophomores ROB BOWERS, Student Body President, introduces MISS WOJTYLA, MR. VOSS, MR. BRANDT, MR. RAINE, MISS FEELEY, and MR. LLOYD, members of the John Burroughs faculty.

Coach BOB DUNIVANT reviews new techniques and strategies for the coming football season with PAT FORD, CRAIG CANFIELD and RANDY SCHULTZ.

In the science department MRS. ROHWER moves equipment into the new laboratories.

HONORS

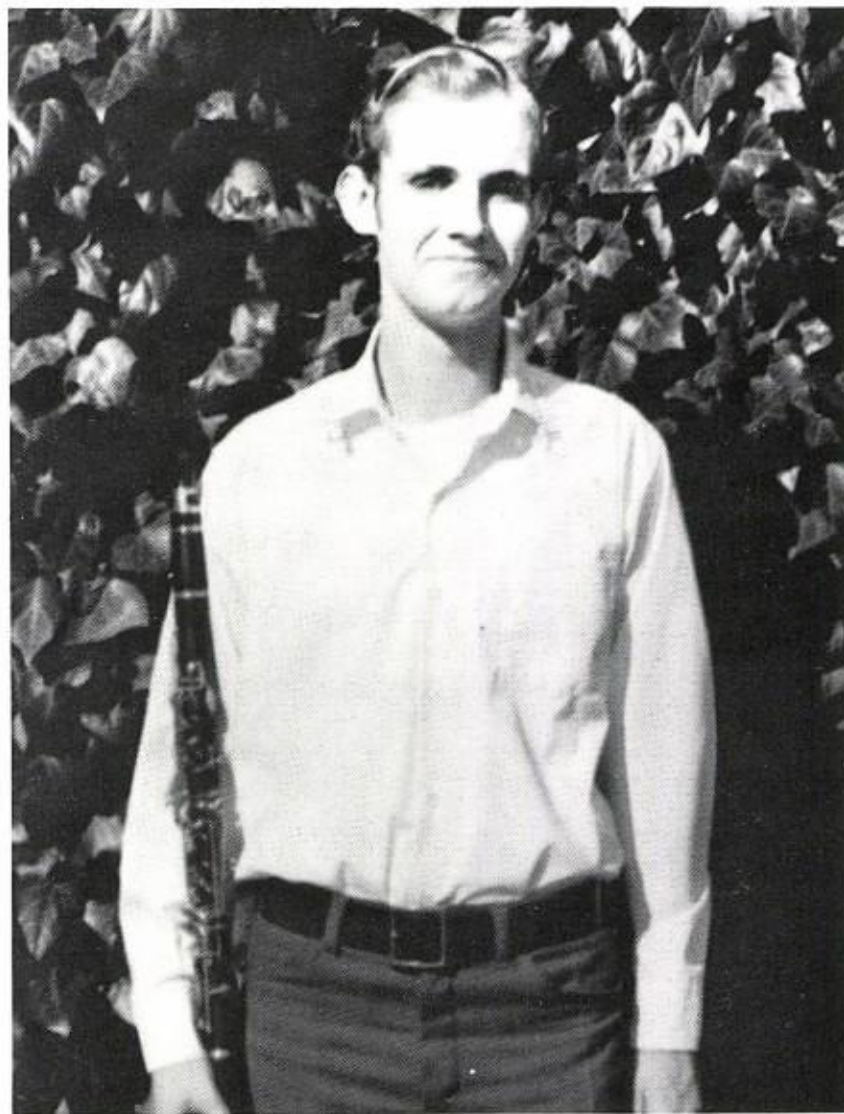

Musicians earn recognition

RAY SOBEL received recognition for being first trumpet in the Orchestra. Ray is also the president of the Instrumental Music Association.

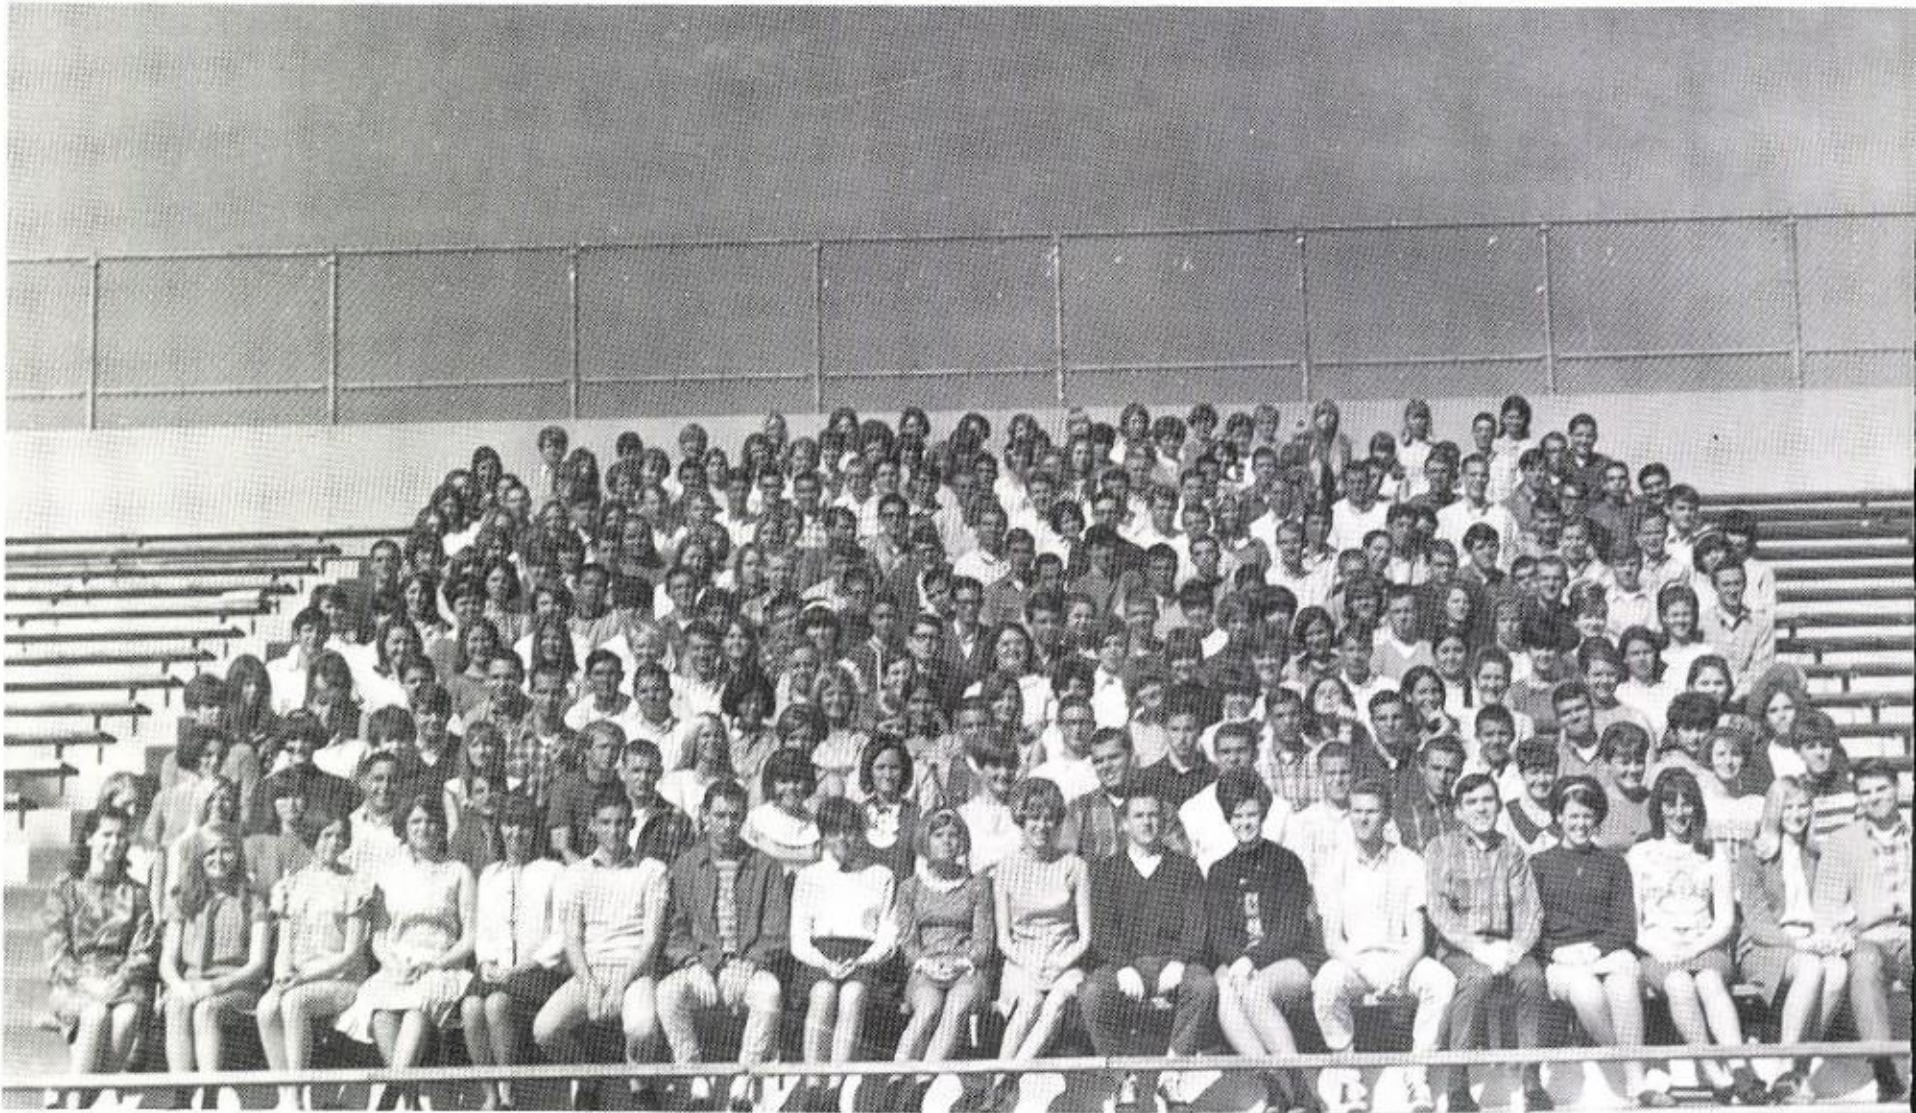

First clarinet in the band and director of the Dixieland Band are two achievements that brought honors to ED MARTIN.

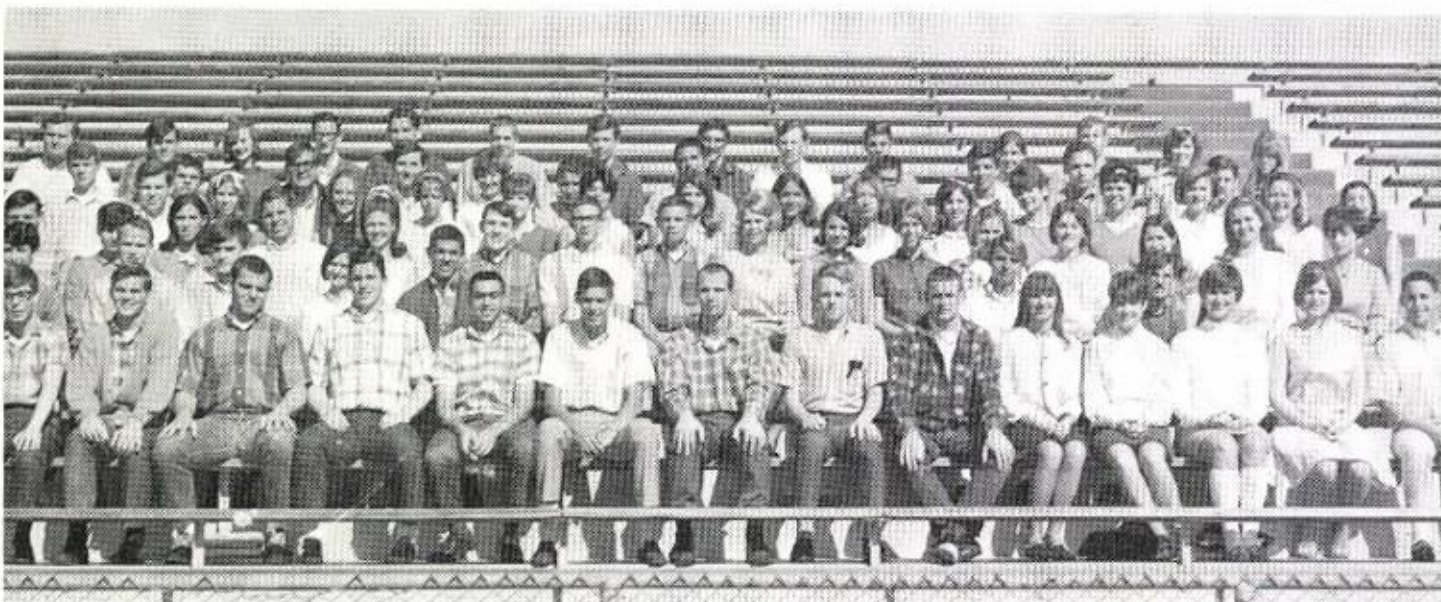

John Burroughs provides students with the opportunity to distinguish themselves in many areas. Students may be awarded honors for musical, artistic, scholastic, theatrical, athletic, and individual achievements. Many individuals enthusiastically take advantage of these opportunities. Persistence and continuous work combined with talent and ability bring results to be boasted by each recipient and the whole school. Students find that these awards are stepping stones to higher goals in the future. This has been proven by the success of many John Burroughs graduates.

Scholars serve with honor,

A large number of students met the requirements of a B average and good citizenship to be a member of the Honor Society.

California Scholastic Federation is composed of the top academic students at John Burroughs.

"Action," a key word this year, has taken on a special meaning to each of the Akela staff members. To them it means class preparation and planning time spent to choose the cover, theme, color, and layouts. It means selecting pictures, and writing headlines, cutlines, and copy. It means careful proofing of each page as it is completed.

Credit goes to the action of faculty members, Mr. Robert Rose for the final proofing and Mr. Jack Mitchell for the photography. I would like to give special recognition and my deep appreciation to Mr. Conley McLaughlin. His experience and student interest enables him to provide the supervision and advice to make the Akela meet modern demands.

Many thanks also to you the students, who are the Spirit of Action at John Burroughs. As you flip through the pages of the '68 Akela, I sincerely hope you will recall countless enjoyable and fulfilling experiences at the school "where the action is."

I'm so glad we
both finally got
our "A"s out of
guess who in that
wonderful Biology
class. Good luck
in this big wide
wonderful world.

Your friend,
Diana Ray

Dear S.,
I am bound and
determined not to make
this a yearbookish note. I won't
even say your friendship has meant
a lot to me, because you might end
up asking yourself, "a lot of what?" I hope
we write a lot of letters next year. If they're good
enough, we'll have them published, and sign a
copy of our best seller for Mrs. O. Also, I'll probably need a lot of
counsel next year; you know about me and garçons. Next year, ~~with~~
all those "hommes" flocking at your door, and all those dumb little "garçons"
at mine, remember what we always say, and never trust a naked tree.
(WHA?)

Love,
Naida
(alias "Big N")

P.S. WATCH OUT FOR THAT BUS DRIVER!
